EXT. ASGARD

Loki sits on the throne of Odin. It appears he is awaiting someone's arrival. Outside everyone on Asgard looks up as fleets of ships are arriving. Heimdall is seen leaving his post. Odin is still in his Odin sleep. A being teleports to the Odin's throne room. It is none other than Thanos.

INT. ODIN'S THRONE ROOM

LOKI
Lord Thanos, welcome to Asgard.

THANOS
The items I request.

THANOS (CONT'D)
I shall take you to Odin's Chamber
for the Infinity Gauntlet.

CUT TO:

INT. ODIN'S CHAMBER ROOM

A metal wall is seen opening as Thanos reaches for the Infinity Gauntlet.

THANOS
Finally..

Loki turns around and does his famed sick smile.

THANOS (CONT'D)
The Tesseract...

LOKI
Yes Lord Thanos....

Loki summons for a servant. The servant dressed in a similar attire as Loki hands over the Tesseract to Thanos.

THANOS
The powers of space.

LOKI
Just as you requested my lord.

THANOS

You have covered greatly for the
lost of my Chituarria on Earth I
shall spare you.

LOKI

Thank you Lord Thanos.

Suddenly The Tesseract starts reacting and starts giving off
energy. A beam of energy emits from the Tesseract. The Red
Skull slowly appears and lands on the floor. He slowly looks
around the area and then at the individuals.

LOKI (CONT'D)

Who do we have here?

THANOS

Indeed....

RED SKULL

Where am I?

LOKI

Welcome to Asgard.

RED SKULL

I've travelled a long way from
Earth.

THANOS

You're a human?

LOKI

A different kind of mortal?

RED SKULL

I am far superior than the humans.
I am a super soldier.

LOKI

Like the one I fought? The one who
calls himself "captain".

RED SKULL

This captain, did he have a shield
in the form of a circle?

LOKI

Yes.. The soldier of red, white and
blue. The man out of time.

RED SKULL

Out of time? You say this is
Asgard?

LOKI

Yes....

RED SKULL

Asgard, from Norse mythology. So this is the realm that was once spoken of through fairy tales and legends.

LOKI

No fairy tales here earthling.

RED SKULL

Before I was here I was on Earth battling Captain Rogers. It also appears from the words you just spoke about being out of time, it appears I've traveled through time. So I've traveled to the future? What of Hydra?

THANOS

None of that matters mortal. You can either join my regime or be destroyed.

RED SKULL

What is your purpose?

THANOS

To hunt down the Infinity Stones and rule the universe. The Tesseract here holds one of them.

Thanos pulls out the Infinity Space Stone from the Tesseract.

RED SKULL

What is it that?

THANOS

The Infinity Space Stone.

Thanos puts the Infinity Space Stone into the middle finger of the Infinity Gauntlet. Heimdall, Sif, Volstagg, Fandral, and Hogun arrive to the scene.

HEIMDALL

(loud tone)
Thanos..

Thanos stares at Heimdall chest.

THANOS

The Soul Gem...

HEIMDALL
You'll never have it.

THANOS
You cannot defeat death.

LOKI
Heimdall, just hand it over.

HEIMDALL
I will fight you to my last
breathe.

LOKI
Thanos is the most....

HEIMDALL
I am aware.... Sif you and the
others warn the people.

Thanos with the Infinity Space Stone vaporizes the three individuals. Thanos then gives Heimdall a sick smile.

CUT TO:

EXT. ASGARD

Destruction is seen everywhere on Asgard, as Thanos is seen putting the Infinity Soul Stone into a finger of the Infinity Gauntlet. Heimdall is briefly seen laying badly wounded and breathing heavily. Meanwhile more explosions fill the scene of Asgard. Thanos, Loki, Red Skull teleport and are on Thanos mother ship.

INT. THANOS MOTHER SHIP, HALLWAY

RED SKULL
Impressive technology.. I would
like to learn more about it.

THANOS
I will give you a tour.

RED SKULL
What are your plans?

THANOS
To create a new universe. The
greater world...

FADE IN

EXT. MANHATTAN

Shocker and Rhino are battling Spider-man in Manhattan. The web-slinger is getting beat. Suddenly Iron Man, War Machine, Vision and Ms. Marvel join the battle. Another superhero by the name of Corporate Red also arrives.

SPIDER-MAN

Thanks I guess...

IRON MAN

Avengers lets move

Shocker firing his shockwaves at Iron Man and War Machine. Ms. Marvel tries to get to near him, but flies away to avoid the shockwave. Vision gets the upper hand with Shocker and takes him out immediately.

RHINO

I'm going to pound you like the sandwich that you are.

CORPORATE RED

I'm not that skinny. But okay...

Rhino runs towards Corporate Red. Corporate Red flies towards him with red energy surrounding his body. Corporate Red gives him the flying "Power Punch". Rhino head jerks upwards as he gets dizzy and then falls on his back with huge earthquake thud and cracks underneath him.

IRON MAN

Damn..

WAR MACHINE

I'm afraid that guy is going to replace the entire team one day. Didn't he defeat the Hulk twice?

IRON MAN

He beat me to the punch.

The civilians and law enforcement cheer.

CORPORATE RED

Thank you it was nothing.

The media, civilians and law enforcement however only walk up to the Avengers and Spider-man.

CORPORATE RED (CONT'D)

I'm not surprised.....

During the bout a civilian is severely injured. Corporate Red runs up to injured civilian and flies him to a nearby hospital.

IRON MAN

The Avengers have saved the day once again. Come on, who can stop us?

The crowd cheers, with the Avengers staring at the crowd. Spider-man has his arms folded. Iron Man pulls him to the side.

IRON MAN (CONT'D)

Listen I'm sorry for sleeping with your aunt. It was a bad choice. I'm sorry... We're still pals right?

Spider-man shoots webbing at Iron Man's face and web-slings away.

WAR MACHINE

He's still mad....

IRON MAN

Yep...

WAR MACHINE

Where's Corporate Red?

IRON MAN

That's a good question?

CUT TO:

EXT. HOSPITAL

Corporate Red is seen landing outside of a hospital, while carrying the injured civilian.

CORPORATE RED

This civilian is bleeding badly...

A DOCTOR

We'll get him into surgery.

The patient is put onto a bed and rushed into the emergency room.

CORPORATE RED
Surgery? Why aren't you giving him
the healing medicine?

A DOCTOR
What healing medicine?

CORPORATE RED
The healing machine they use at
Avengers Tower.

A DOCTOR
Not everything is available to the
public. This is unfortunately how
the world runs.

The scene slows down as the doctor is joined by other doctors as they rush the patient into the emergency room. The scene slowly zooms into Corporate Red's helmet as anger is seen building up in his eyes.

CUT TO:

EXT. XANDAR

Irani Rael is seen in her office at the Nova Corps. Corpsman Dey enters her office.

INT. IRANI RAEI OFFICE

IRANI RAEI

on radar.

CUT TO:

EXT. XANDAR

Thanos mother ship and his following fleet ships are entering the atmosphere of Xandar.

INT. THANOS MOTHER SHIP, BRIDGE

LOKI
What of the Chitauri?

THANOS
We will save them for the finale.

CUT TO:

INT. NOVA CORPS

IRANI RAEL
Prepare for imminent attack.

Suddenly the window gets blasted as explosions are heard outside. The Kree armies are flying in their starships attacking the region. Meanwhile a few members of the Kree land outside the Nova Corp and exit their vehicles. A war begins outside and eventually into the Nova Corp. Once inside the Kree exchange plasma fire with Irani, Corpsman Dey and members of the Nova Corp. Suddenly Thanos and a few of his guards appear in the office of the Nova Corp. The guards take our the remaining guards of the Nova Corps.

THANOS
The Orb

CORSPMAN DEY
Never

Thanos grabs the neck of Corspman Dey, and kills him. He then drops him to the floor and slowly turns towards Irani Rael.

THANOS

The Orb

A member of the Kree finds the Orb in a container. The servant then approaches Thanos and hands him the Orb. Thanos opens the orb and sees the Infinity Power Stone. Thanos makes a fist with the Infinity Gauntlet and then uses his other hand to pound the Infinity Power Stone into the gauntlet. He screams while pounding it and allowing the powers to fuse with the finger. He then grabs Irani Rael by the neck with the Infinity Gauntlet.

THANOS (CONT'D)

It always beautiful to please death.

IRANI RAEL

Screw you....

Thanos breaks Irani neck, killing her in the process. He then drops her to the floor. Her eyes still open as she lays dead with some blood coming out of her mouth. Explosions and plasma fire continue to be heard in the background along with screams from the people of Xandar. Thanos and his followers walk away.

CUT TO:

EXT. AVENGERS TOWER

Tony Stark is seen drinking a glass of wine with James Rhodes, Vision and Carol Danvers. Terrell is seen entering out of the elevator in his navy blue suit and tie attire. He stops once coming out of the elevator.

TONY STARK

I was wondering what happen to you? There he is everyone. The man who by himself defended New York, while we were handling business overseas. Way before your time Ms. Marvel.

CAROL DANVERS

Yeah... Yeah... He also defended Brooklyn during the Chitauri InVasion.

JAMES RHODES

He defeated the Hulk twice.

VISION
 He's the first to defeat Ultron.
 Before the resurrection thanks to
 one Mr. Stark.

Stark forms a disappointed look at Vision.

JAMES RHODES
 Terrell, you're the man.

VISION
 The patient....

JAMES RHODES
 What patient?

There's a brief silence. Terrell then slowly walks towards
 the group.

TERRELL
 He's dead..... The injuries were
 too severe...

VISION
 I'm sorry Terrell....

CAROL DANVERS
 Terrell, it wasn't your fault.

Terrell stops halfway from Tony.

TERRELL
 Why didn't you do more?

FLASHBACK

Tony gets a glimpse of the vision he saw back in Socovia of
 the same words Corporate Red is asking him and then back to
 present day.

PRESENT DAY

TONY STARK
 I'm sorry, what happen?

TONY STARK (CONT'D)
 How come none of the hospitals have
 Dr. Helen Cho's healing technology
 that was first used on Hawkeye?

TONY STARK (CONT'D)
 These things take time Terrell.

TERRELL

All the money you and the elites
have and it takes time?

VISION

Terrell...

TERRELL

Shut up you hypocrite.

MS. MARVEL

Terrell, apologize this instant.

James Rhodes gets up off the sofa.

JAMES RHODES

Hey, just relax and take it easy.

TERRELL

Do not touch me....

JAMES RHODES

Okay....

TERRELL

I am quitting the Avengers.

TONY STARK

Now wait, just calm down. You're
steamed...

TERRELL

A civilian is dead and that
civilian would've been alive had
the hospital had access to Cho's
healing technology. Why is it only
you and a few have access to it?
Maybe Ultron was right?

TONY STARK

You just went way out of line with
that comment.

TERRELL

You was out of line when you chose
Spider-man over me. You chose a
minor over me. How sickening was
that?

Everyone in the room remains silent. Terrell walks away and
heads for the elevator. Tony Stark quickly walks up to him
and whispers to him.

TONY STARK

Did you forget me and you are
secretly preparing for the big one?

TERRELL

So why aren't you doing more than?

Terrell walks away... Tony talks in normal tone.

TONY STARK

If you walk out of here, I'm not
letting you back in.

Terrell enters the elevator and the door closes. Tony and
Vision stare at each other for a brief.

CUT TO:

EXT. THANOS MOTHER SHIP, OUTSIDE

seen in the background.

CUT TO:

Thanos is on the bridge of his ship, meeting with the King
and Queen of the Skrull empire.

INT. THANOS MOTHER SHIP, BRIDGE

THANOS

Do we have a deal?

SKRULL QUEEN

We have a deal. We will put hold
our war against the Kree, to assist
you in completing the Infinity
Gauntlet. The universal shall kneel
to the Skrull Empire.

THANOS

My assistant the Red Skull will
help you make the human masks to
disguise yourselves once we reach
Earth. The scepter was last seen
there, and with that contains the
Infinity Mind Stone.

SKRULL QUEEN

Then it is settled. The great war
over the humans.

THANOS

I will require one of your soldiers
for the special mission.

SKRULL QUEEN

A Skrull will be provided. Once on
earth we will find the candidates
to help create the Super Skrull.

LOKI

The earth is filled with humans
with special abilities. You can use
the powers of those to create the
Super Skrull.

SKRULL QUEEN

We shall begin preparations.

The Skrull Queen walk away with her assistants. Thanos and
Red Skull just stare on. The three turn around and talk in
low tone.

LOKI

I highly recommend you keep your up
guard my lord. The Skrull Empire
cannot be trusted.

RED SKULL

Are you sure about this Lord
Thanos.

THANOS

The Skrull Empire will be fools to
double cross me.

CUT TO:

EXT. SECRET AVENGERS HIDEOUT

Captain America is seen entering a hideout room for the
Secret Avengers.

INT. SECRET AVENGERS HIDEOUT

CAPTAIN AMERICA

Anyone seen Wanda?

HAWKEYE

She said she needed some air.
Something appears to be troubling
her.

CUT TO:

EXT. SECRET AVENGERS HIDEOUT

Wanda is seen with her hands on her chest.

CAPTAIN AMERICA

Wanda...

SCARLETT WITCH

Captain, you startled me.

CAPTAIN AMERICA

Something wrong?

SCARLETT WITCH

I'll be okay...

CAPTAIN AMERICA

You sure? You haven't been yourself
the past few days.

SCARLETT WITCH

There is alot happening you and the
others wouldn't understand.

CAPTAIN AMERICA

If there's one thing I don't like
it's secrets.

Brief silence

SCARLETT WITCH

I've been having these visions ever
since my first encounter with Stark
during you and the Avengers attack
on Strucker's castle. When I tried
to brainwash Tony I triggered a
vision that shows a dark future. A
vision filled with destruction and
death. A great evil that will one
day take over the universe or
perhaps destroy it.

CAPTAIN AMERICA

Do you think it ties to what Thor
told me and Stark?

SCARLETT WITCH

I am afraid so. A threat so severe both factions, New Avengers and Secret Avengers will have to join forces. Even superheroes not of our circle will get involved.

A brief silence

SCARLETT WITCH (CONT'D)

Steve....

CAPTAIN AMERICA

Yeah....

SCARLETT WITCH

I am scared...

The two slowly embrace and hug.

CUT TO:

EXT. THE COLLECTOR'S LAIR

Taneleer Tivan is seen trying to arrange his collections that are scattered all over the place. He turns around and it's none other than Loki and Red Skull. He is startled by their presence.

INT. THE COLLECTOR'S LAIR

TANELEER TIVAN

I wasn't expecting any visitors.

Taneleer Tivan does his welcome taunt.

TANELEER TIVAN (CONT'D)

Welcome...

LOKI

The Aether, do you still have it?

TANELEER TIVAN

It's somewhere around here, I hope.

LOKI

You hope?

TANELEER TIVAN

There was an incident, which resulted in the mess you see here.

(MORE)

TANELEER TIVAN (CONT'D)

It's taken me awhile to finally
clean up.

THANOS

Find it....

TANELEER TIVAN

Thanos...

THANOS

The Aether, contains an Infinity
Stone.

Thanos grabs the garb of Taneeler clothing.

TANELEER TIVAN

It couldn't have gone that far.

CUT TO:

Taneeler looks and then finds the container which holds the
Aether inside. He then hands it over to Thanos. He then
removes the Infinity Reality Stone from the Aether and puts
it into a finger of the Infinity Gauntlet.

THANOS

Two more to go...

Thanos then turns around and slowly is about to make his
exit.

TANELEER TIVAN

Lord Thanos

Thanos stops walking.

THANOS

Yes...

TANELEER TIVAN

May I join you on your journey?

THANOS

You may...

Taneeler Tivan looks around before following Thanos and his
faction.

HOWARD DUCK

I guess I'll own this place now.

CUT TO:

EXT. MANHATTAN VIEW FROM BROOKLYN

Terrell is seen entering an office. A man is seen talking with him.

TERRELL

Who else knows?

MAN

It's still the same, only NASA. If this goes public it will cause a world wide panic. Asgard along with a few planets have been wasted or destroyed.

TERRELL

Which means the individual or parties now has the Tesseract.

MAN

Whoever it is has not stopped either. Half of the universe has been destroyed by this being or entities. We can't send you and the heroes up there because it would be a light years away travel and the government isn't ready to use that type of black budget money on a hostile threat at this time.

TERRELL

In other words they don't want to go to war.

Brief silence as Terrell breathe in and out.

TERRELL (CONT'D)

Just keep me updated.

MAN

I will, and Terrell....

Terrell stops before exiting.

TERRELL

Yeah....

MAN

Maybe you should tell your allies about this threat? What if Thor is dead? The Avengers need to know.

TERRELL

I'll talk to you later.

The man looks puzzled as Terrell walks out of the office.

CUT TO:

EXT. THANOS MOTHER SHIP, OUTSIDE

Thanos is seen in the bridge of his mother ship. Both his hands behind his back. Red Skull is seen approaching Thanos.

THANOS

Have you found the location of the
Infinity Time Stone?

RED SKULL

Yes, and surprisingly it is on my
home world.

LOKI

Perfect timing with the Infinity
Mind Stone.

THANOS

Set a course for Earth...

THANOS SERVANT

Yes lordship... Set a course for
the Terrain System. Destination,
the planet Earth.

CUT TO:

EXT. THANOS MOTHER SHIP, OUTSIDE

Thanos mothership along with the ships of the Kree and
Skrulls go into lightspeed.

FADE TO BLACK.

FADE IN

EXT. AVENGERS TOWER

Tony Stark is sitting arriving at Avengers Tower. He steps
out of his Iron Man suit. He stops and stares at the sunset.
The vision that has been haunting him appears again for a
brief with a thundering sound at the end.

CUT TO:

EXT. SECRET HIDEOUT

Scarlett Witch is with the Secret Avengers consisting of Falcon, Ant-man, Wasp, Hawkeye and Captain America. Scarlett Witch standing in a corner by herself as she is haunted by the visions she saw with Mr. Stark. A thundering sound at the end of it as well.

CUT TO:

INT. AVENGERS TOWER, SUNSET, EARLY EVENING

Vision's Infinity Mind Stone appears to be reacting to something. Vision can feel the great danger that is coming. He then drinks his coffee.

CUT TO:

EXT. DOCTOR STEPHEN STRANGE RESIDENCY, EARLY EVENING

Doctor Stephen Strange is reading a book when suddenly he detects a hostile force light years away.

CUT TO:

EXT. THE XAVIER INSTITUTE, EARLY EVENING

Professor Charles sitting in his levitation chair in his office room at the Xavier Institute. He is meditating until he detects a hostile force through his telepathy.

CUT TO:

EXT. BEDFORD-STUYVESANT, EARLY EVENING

Terrell meanwhile is sitting in his apartment in his Corporate Red uniform with his helmet off and stares at himself reflecting on his visor. The words that Tony Stark told him about his vision has haunted Corporate Red for the past few years now.

CUT TO:

EXT. SPACE, THANOS LAIR

Thanos mothership leads the Kree and Skrull ships in lightspeed.

CUT TO:

EXT. DOCTOR STEPHEN STRANGE RESIDENCY

Doctor Stephen Strange is seen opening his door.

TERRELL

Doctor Stephen Strange.

DOCTOR STRANGE

I am he....

TERRELL

This is going to sound very surprising. I'm Corporate Red...

DOCTOR STRANGE

Corporate Red, this is a surprise.

TERRELL

It's an honor to finally meet one of the individuals who was considered a high level threat to Hydra. I heard they try to steer you off a road once.

DOCTOR STRANGE

Indeed.. What brings you here?

TERRELL

I have in my possession a powerful weapon.

Terrell pulls out the Infinity Time Stone.

DOCTOR STRANGE

Please come in...

TERRELL

Thank you...

Doctor Stephen Strange looks around to make sure there weren't any spies watching. He then closes the door.

FADE INTO

INT. DOCTOR STEPHEN STRANGE RESIDENCY

DOCTOR STRANGE

How long have you had this?

TERRELL

For awhile.. I've used it a few times to fight crime.

DOCTOR STRANGE
Have you altered time with this?

TERRELL
I've been tempted on a few occasions, but no. The temptation grows though. You are aware?

DOCTOR STRANGE
Yes myself, along with Professor Xavier are aware something is wrong with this timeline.

TERRELL
Last time I checked Spider-man was a man, not a boy. I've been watching earth's mightiest from day one. What has happened?

DOCTOR STRANGE
I don't know... I do know in order to restore the timeline we would need to get our hands on the Infinity Gauntlet.

TERRELL
The Infinity Gauntlet?

Doctor Strange pulls out a book.

DOCTOR STRANGE
Legends speaks of this universal weapon. A golden glove that contains empty slots for six universal weapons. Throughout the universe lay six of the most powerful weapons in the universe. Three of them you are familiar of. The Tesseract, the Aether, The Orb, The Scepter once held by Loki, Eye of Heimdall, Rock of Time. Each containing an Infinity Stone. Once these Infinity Stones are together and placed upon the Infinity Gauntlet, the individual possessing all these items will have the power to control the entire universe.

TERRELL
The Tesseract was on Asgard. But it's been laid wasted, along with half of the universe.

(MORE)

TERRELL (CONT'D)

I believe someone has already started the journey and will eventually arrive here.

DOCTOR STRANGE

Yes I have seen the visions. Mr. Stark once told me about them. Scarlett Witch failed attempt in trying to take over Tony's mind revealed the dark future ahead. Professor Xavier is also aware.

TERRELL

As well as I am.

DOCTOR STRANGE

I would take the Infinity Time Stone Mr. Rogers. But it's best it stays with you.

TERRELL

I rather you have it. You're a huge expert in the mystical arts.

DOCTOR STRANGE

Indeed, but your soul is worthy to have it.

TERRELL

I will not force you to take it.

Terrell getting up and puts on his book bag.

DOCTOR STRANGE

My "marvelous" world will one day need you. For even heroes need a hero.

TERRELL

Until that day comes I will stay away from your marvelous world. Better yet I should hang up the Corporate Red mantle for now. After all it was society that turned me into The Forgotten Ranger.

Terrell walks away and heads for the door. He stops at the door.

TERRELL (CONT'D)

Sometime I wonder... Why am I protecting a society that has disrespected me multiple times?

(MORE)

TERRELL (CONT'D)

A society that feeds more on pain
than love.

Terrell exits as Doctor Strange forms a concerned look.

CUT TO:

EXT. SOMEWHERE WITHIN THE MILKY WAY GLAAXY

Galactus is seen draining the energy of the planet Jupiter, as he slowly feasts on it. His herald the Silver Surfer, standing on a silver surfboard watches on. Suddenly the herald turns around as hundreds of ships fly by, including the giant Chitauri monster like air carriers.

SILVER SURFER

Galactus....

GALACTUS

Who dares interrupt my feasting?

CUT TO:

INT. THANOS MOTHERSHIP

THANOS SERVANT

Lord Thanos, it is the devourer of
worlds, Galactus. We are doomed...

THANOS

I'll handle him....

Thanos puts on the Infinity Gauntlet.

CUT TO:

EXT. OUTSIDE THANOS MOTHERSHIP, SPACE

Thanos is now seen on the roof of his mother ship. Galactus goes from cosmic mode, to solid physical being mode, but still in his giant form. Thanos just smiles at Galactus.

GALACTUS

You dare mock me?

THANOS

What is there to mock?

GALACTUS

(angered loud tone)
Norrin, get rid of them. Starting
with him...

SILVER SURFER

Yes master...

Silver Surfer then flies towards Thanos on his silver board and claps his hands hard. A powerful energy wave emits from Surfer's hands and hits Thanos. Silver Surfer quickly flies by Thanos and turns around with a sick smile. Then a stunned look forms on his face, followed by a serious stare. The blast had no effect on the mad titan. Thanos turns his head to the left side. Silver Surfer then flies towards Thanos and then around him. Eventually he slows down the speed of his board. He then walks to the tip of his silver board. Thanos keeps his eyes on him. Silver Surfer then eventually gets a little closer to Thanos, and then stops his board as the two engage in a stare down.

SILVER SURFER (CONT'D)

Galactus, I am sorry. He is more
powerful than I. The powers you
bestowed upon me are no match for
him.

GALACTUS

My herald may not be able to stop
you, but I will. I am Galactus, the
devourer of worlds. I am the most
powerful being in the universe.

THANOS

You have lived a lie. You are about
to witness who the most powerful
is. Fortunately for you this will
be your last breathe.

Thanos uses the Infinity Gauntlet and fires a powerful beam with the use of the Infinity Power Stone and fires into Galactus chest. He screams, and holds his chest in pain. A huge hole in his chest as the trailing smoke quickly fades. Galactus begins to fall backwards. As he descends he falls on top of several ships. Thanos is pleased at the sight of the explosions of the other ships, knowing he has pleased his love, of death.

THANOS (CONT'D)

You are now freed from your herald.
Return to wherever you originate
from. But be warned, do not make
any attempts to follow me or my
fleet.

SILVER SURFER
One request I would like to ask.

THANOS
Permission granted....

SILVER SURFER
What is your destination?

THANOS
The disgusting planet known as
Earth. There lies the final pieces
(makes fist with the
Infinity Gauntlet)

SILVER SURFER
I've once visited that planet. Long
ago I once encountered a young
flying boy of red clothing. Thanks
to this him his planet was spared
after he convinced me to change
Galactus course to devour another
planet that had no life forms.

THANOS
You waste my time telling me this?

SILVER SURFER
Do you plan to do to the Earth what
you have done to my now former
master?

THANOS
It all depends on the actions of
the humans. I do not wish to bring
harm to the mortals. My Chitauri
Warriors however are thirsting for
blood. They seek revenge against
the humans that killed their
brothers during the first encounter
with Earth.

Silver Surfer makes an angry stare as he starts floating
backwards away from Thanos on his silver surfboard.

THANOS (CONT'D)
Wise move....

Thanos uses the powers of the Infinity Gauntlet to teleport
back into his mother ship. Silver Surfer talks in thought.

SILVER SURFER
There has to be something I can do.

FADE INTO

INT. THANOS MOTHERSHIP

THANOS SERVANT
Lord Thanos, we have a problem. We
have reached a barrier.

LOKI
A body of rocks. Just blast it
away.

THANOS SERVANT
No, they extend thousands of miles.
It's an asteroid belt. We can't
maneuver through them.

THANOS
Then it's time to put the space and
reality stones to use. Alert the
other ships of the Kree and
Skrulls, we'll be reaching Earth
earlier than expected.

THANOS SERVANT
Yes my Lord....

CUT TO:

EXT. OUTSIDE THANOS MOTHERSHIP, SPACE

Thanos is back on the roof of the mother ship and activates the Space and Reality Stone. A giant portal opens up. Earth can be seen some distance away on the other side of the portal. Thanos mother ship leads the other ships of the Kree and Skrulls into the wormhole. Meanwhile Silver Surfer is seen going at extreme speed trying to catch up with the other ships. A heart pounding sound as Silver Surfer almost reaches the portal. But the portal closes just as he arrives to it. Silver Surfer turns sideways on his board.

SILVER SURFER
Earth is doomed....

FADE TO BLACK.

FADE IN

EXT. XAVIER INSTITUTE, DAYTIME

Professor Charles Xavier is seen sitting down in his levitation wheel chair as Tony Stark and Professor Charles Xavier are walking side by side.

PROFESSOR CHARLES XAVIER
Look at them, humans and mutants.
Working together, finally united.

TONY STARK
Today is the dawn of a new era.
Humans and mutants officially
working together. The team up of
the Avengers, and the X-MEN.

PROFESSOR CHARLES XAVIER
(tearing up)
I've yearned for this day.

VISION
This truly is a beautiful day.
Perhaps there is hope for humanity

SUE STORM (CONT'D)
Please don't force me

Thanos removes the invisible shield with the use of the Infinity Power Stone and removes the shield from his face and reverses Sue's powers on her face as she starts suffocating.

REED RICHARDS
(screaming)
No

THANOS
Fine...

Thanos eventually releases the shield as Sue tries to gasp for air. Suddenly Loki and Red Skull arrive on the scene.

THANOS (CONT'D)
Foolish mortals, with the powers of the Infinity Gauntlet, I can control the entire universe. I can control Space.

Thanos uses the Infinity Space Stone and messes with the cosmos of space.

THANOS (CONT'D)
Time

Thanos then uses the Time Stone to make the superheroes turn prehistoric. They all act like cave people and pound on their chests and talk prehistoric. Thanos then returns them to normal.

THANOS (CONT'D)
Reality

Thanos messes with reality staring at other dimensions.

THANOS (CONT'D)
Mind

Thanos uses the Mind Stone and forces the superheroes to argue amongst each other. The team splits in two as its Civil War Part II. Everyone stares at the third party guests who are aiming their plasma guns at the individuals. Thanos releasing the Mind Stone.

THANOS (CONT'D)
Power

Thanos causes global disturbances on earth.

THANOS (CONT'D)
 And Soul.. Well in this case I'll
 destroy it myself.

Thanos then constantly teleporting punching, kneeling and
 elbowing the heroes until they are eventually knocked out on
 the ground. Everyone is laid out on the ground. Thanos then
 grabs Captain America and Cyclops by the throats.

THANOS (CONT'D)
 Now I shall bring you all to....

THE COLLECTOR
 (screams)
 Wait....

THANOS
 What do you want?

THE COLLECTOR
 Do you have to kill them, my lord?
 After all you have killed the
 visionary, and already pleased lady
 death with the many that have
 already fallen on earth. You don't
 have to kill the rest of them now,
 do you? Look at them my lord. They
 are beautiful....

THANOS
 You want possession of them?

THE COLLECTOR
 I want all of them.

Thanos drops Cyclops and Captain America and then starts
 laughing and activates the Infinity Time Stone.

SCARLET WITCH
 Oh no.....

JEAN GREY
 (screams)
 Scott.....

SCOTT SUMMERS
 Son get out of here.

CABLE
 I'm not leaving neither of you.

JEAN GREY
 You have to prepare to response
 team.

CABLE
I am not leaving.

JEAN GREY
I'm sorry son..

Jean Grey to mind control Cable to use the cosmic cube as he teleports. Once back at Avengers Facility he is back to normal. Meanwhile back at Thanos lair, Thanos fires a flashing wave from the Infinity Time Stone and it shocks everyone. All of the superheroes are screaming in pain. A bright white light fills the area.

CUT TO:

EXT. AVENGERS FACILITY UPSTATE NEW YORK

Professor Charles Xavier is seen in a room meditating. Cable enters the room.

CABLE
We've lost....

PROFESSOR CHARLES XAVIER
I know...

Xavier tears as the scene fades to black.

CUT TO:

EXT. THE COLLECTORS MUSUEM

Thanos, Loki and Red Skull are seen arriving into The Collector's museum created by the powers of the Infinity Gauntlet.

INT. THE COLLECTORS MUSUEM

LOKI
Victory to Lord Thanos

RED SKULL
Such a pity this is their
punishment. Frozen in time for
eternity.

All of the superheroes all lined standing tall and frozen in their individual glass tubes. Each hero is then individually shown. The Corporate Rangers do not have their helmets on.

FADE TO BLACK.

EXT. AVENGERS FACILITY UPSTATE NEW YORK, DAYTIME

DIRECTOR NICK FURY
This is how it really ends. At
least for me that is.

Everyone stares at Director Fury.

DIRECTOR NICK FURY (CONT'D)
I think its time for me to have a
little chat with the mad titan.

AGENT COULSON
You sure you want to go through
this?

DIRECTOR NICK FURY
Like the words once said, "a man
gotta do what a man gotta do".

AGENT MARIA HILL
You can't be serious? You're going
to end up like the rest of them.

DIRECTOR NICK FURY
Exactly.. Once I'm out, then like
the words once said "he will come".

PROFESSOR CHARLES XAVIER
He's right Agent Hill..

Agent Coulston and Agent Maria Hill stare at each other.
Director Fury then stares at Professor Xavier. Professor
Charles Xavier then nods at Director Fury.

DIRECTOR NICK FURY
By the way, you two remember when I
said if it ever goes down to him,
may God have mercy on our souls?

COULSON AND HILL
Yeah...

DIRECTOR NICK FURY
May God have mercy on our souls.

Director Fury walks away.

CUT TO:

INT. THE COLLECTORS MUSUEM

Loki is seen staring at the eight Corporate Rangers time

frozen in their respective individual glass tubes. The individuals in order Corporate Black, Pink, Blue, Yellow, Green, White, Gold, and Lavender.

LOKI
Something is not right.

RED SKULL
What is the problem Loki?

LOKI
He's going to come eventually...

THANOS
Then let him....

THE COLLECTOR
They are beautiful....

Thanos makes an annoyed look.

RED SKULL
Why are you worried?

LOKI
I'm not worried... There is something different about him.

RED SKULL
He did give a good fight for a mortal. For a non-super soldier.

Loki remembers back to a conversation with The Other.

FLASHBACK

THE OTHER
Your ambition is little and born of childish need. We look beyond the earth, to the greater world the Tesseract will unveil.

PRESENT DAY

LOKI
Is the greater world really the symbol of him?

DIRECTOR NICK FURY
Perhaps.. After all history doesn't tell us everything now does it?

LOKI
Well, if it isn't the director.

DIRECTOR NICK FURY

It took me awhile to get in. What a Fantastic Four we have here. Johann Shmidt, this was unexpected. I'm not even going to ask how you ended up here.

Director Fury stares at the Infinity Gauntlet on Thanos right hand.

DIRECTOR NICK FURY (CONT'D)

Or what's left of it. Did you get a good glimpse of the 21st century?

RED SKULL

I see humanity has become more ugly and filthier since my absence. But that will all change after Thanos helps humanity become my image.

DIRECTOR NICK FURY

I don't even want to picture it.

THANOS

Is this the one you speak of?

LOKI

No, the one missing is greater than him.

DIRECTOR NICK FURY

You think that third party hiding down there is more powerful than me? Am I the one hiding like a bitch?

RED SKULL

Perhaps we should pay earth a visit and search for him?

NICK FURY

Go on right ahead. I didn't come to see neither of you or Vanilla Ice hair do over there.

THE COLLECTOR

How insulting.. Or was that a compliment? Who is Vanilla Ice?

DIRECTOR NICK FURY

I came to see him ::points at Thanos::

THANOS

You dare challenge me foolish
human?

LOKI

::smiles:: You do not want to anger
Lord Thanos. As you can see what he
has done to your friends here.

DIRECTOR NICK FURY

I'm aware...

THANOS

Leave us, or else.

DIRECTOR NICK FURY

It's takes a man courage to do what
I'm about to do. But before I begin
let me quote a scripture.

RED SKULL

Religion, I spit on it.

THANOS

Let him speak...

DIRECTOR NICK FURY

The path of the righteous man is
beset on all sides by the
iniquities of the selfish and the
tyranny of evil men. Blessed is he
who, in the name of charity and
good will, shepherds the weak
through the valley of darkness, for
he is truly his brother's keeper
and the finder of lost children.
And I will strike down upon thee
with great vengeance and furious
anger those who attempt to poison
and destroy my brothers. And you
will know my name is the Lord when
I lay my vengeance upon thee.

LOKI

I'm sorry, what was that?

Director Fury then pulls out his gun and starts shooting.
Thanos using the Infinity Gauntlet to form a protective wall
shield. Fury then starts screaming and runs towards the four,
pulling out his katana.

THANOS

Taneleer?

THE COLLECTOR

Of course

Thanos fires the Infinity Time Stone at Nick Fury as Nick screams in pain. A huge flash and then Director Fury is now seen frozen standing tall inside a glass tube, and now with the rest of the superheroes. Thanos chuckles and stares at Loki.

LOKI

He's coming, I know it.

THANOS

He'll end up like the rest of them,
or worse.

The Collector walks up to the frozen director.

THE COLLECTOR

Thank you...

Thanos walks away, as Red Skull walks up to Loki.

RED SKULL

Perhaps we should pay this
"forgotten" one a visit.

LOKI

Indeed.. If he's returned to his
quarters.

NEW SCENE

INT. AVENGERS FACILITY UPSTATE NEW YORK

Professor Charles Xavier is then seen with his eyes closed and his hands folded over his face. Xavier unfolds his hands and opens his eyes.

PROFESSOR CHARLES XAVIER

Fury has been immobilized.

AGENT COULSON

That's it... There's no one left...

Brief silence amongst the group.

DR. HANK PYM

Wait.... I know a guy....

AGENT MARIA HILL

You're right.... There is someone
still out there...

DR. HANK PYM

Same guy?

AGENT MARIA HILL

I hear from the streets he has a short story track. A legendary hero from Brooklyn.

DR. HANK PYM

"Power" moves?

AGENT MARIA HILL

And he "jumps" into action.

PROFESSOR CHARLES XAVIER

The greats minds are thinking alike.

AGENT COULSON

Wait, you don't mean? Oh no, we are not calling him. He is a rebel, a wild card. He even left his friends hanging to fight Thanos.

AGENT MARIA HILL

He's our last hope Coulston.

DR. HANK PYM

And he packs quite a punch.

PROFESSOR CHARLES XAVIER

His soul is also the only one capable of giving Thanos a worthy fight.

AGENT MARIA HILL

Really?

The professor nods.

AGENT COULSON

So how do we reach him?
S.H.I.E.L.D. cut communication off from him ever since he walked out on S.H.I.E.L.D.

AGENT MARIA HILL

I communicated with him during the lead up of the first Chitauri Invasion. I know where to find him. I just hope he's not out of the city.

PROFESSOR CHARLES XAVIER
I can track him down through
cerebro as well.

AGENT COULSON
We're not going after the third
party. I rather go after the
vigilantes in Hell's Kitchen than
him.

AGENT MARIA HILL
Coulston, we don't have any other
options.

PROFESSOR CHARLES XAVIER
Plus those vigilantes in Hell's
Kitchen wouldn't stand a chance.
This individual however his "soul"
is different from the others.

AGENT COULSTON
Myself and Director Fury always
feared what would happen if it all
came down to him? But seriously,
him? He's a loose cannon.

AGENT MARIA HILL
Was he really?

AGENT COULSTON
We're not bringing in the third
party.

PROFESSOR CHARLES XAVIER
Coulston

AGENT COULSTON
Professor

PROFESSOR CHARLES XAVIER
We're bringing in the third party.

AGENT COULSTON
We're bringing him in.

JANET
Where do we find him?

PROFESSOR CHARLES XAVIER
Myself and Agent Maria Hill will
take care of that.

Agent Maria Hill smiles.

DR. HANK PYM
Do you think he will come?

PROFESSOR CHARLES XAVIER
Agent Hill...

AGENT MARIA HILL
I'm on it.

Agent Maria Hill pulls out her cell phone and dials.

CUT TO:

EXT. SECRET HIDEOUT

Terrell is seen watching the television set. He is in his navy blue and suit and tie attire with a ice pack on his face. His cell phone goes off. He puts the television on mute and walks out the room and down a corridor. He touches a panel. The panel slowly opening revealing the Corporate Red and Next Gen Quantum suit. He is breathing heavily in anger. The screen splits in two with Thanos making a fist with the Infinity Gauntlet as cosmic energy fills the screen with Terrell staring at Thanos.

HE'S COMING

CREDITS

POST CREDIT I

AGENT MARIA HILL
We need you now...

FADE TO BLACK.

POST CREDIT II

INT. DEADPOOL'S APARTMENT

Deadpool is seen watching the television set. Suddenly Cable teleports in the room.

DEADPOOL
Time traveling?

CABLE
I had a long day.

DEADPOOL
Damn what happen to you.

CABLE

I was in war, while you was sitting here on your ass.

DEADPOOL

Yep I was sitting here watching the world end on television and eating Chimichangas.

CABLE

Listen, that threat up there is a threat to the entire universe. He took out all the heroes. The professor has requested for both me and you to report to the Avengers Facility.

DEADPOOL

Who?

CABLE

Professor Charles Xavier

DEADPOOL

Can he afford us? Wait the Avengers? Are you shitting me?

CABLE

All of the heroes of earth have been captured. The Avengers, X-MEN, Fantastic Four. Even them fucking Power Ranger rip-offs the Corporate Red. Well except one....

DEADPOOL

The professor wants us to be superheroes? Not my thing bub.

Suddenly several members of the S.H.I.E.L.D. Strike Force team break down Wade's door and quickly enter. Deadpool and Cable go into defense stance. Cable pulls out his plasma gun and Deadpool grabs his two katanas. Agent Coulston enters the room. The two vigilantes stare at each other and then at Coulston.

DEADPOOL (CONT'D)

::points his katana at Coulston::
The fuck man?

AGENT COULSON

I apologize gentlemen if we came off hostile.

Cable lowers Deadpool's arm.

CABLE
S.H.I.E.L.D.?

AGENT COULSON
I am Agent Coulson of S.H.I.E.L.D.

CABLE
I've heard of the organization.
What brings you here?

AGENT COULSON
Did you get the Professors message?

Cable nods.

AGENT COULSON (CONT'D)
Then there's no time to lose.

DEADPOOL
Hey, you see here's the thing. I'm
not a superhero.

AGENT COULSON
No worries! There was one that is
still left here on earth. The last
remaining superhero on earth. He
will be leading the rescue team.

DEADPOOL
Rescue mission?

CABLE
Wade!

DEADPOOL
So I finally get to meet the eye
patch guy.

AGENT COULSTON
He's been captured!

DEADPOOL
That's a bummer! By the way you
will be paying for the damages to
my door right. I'm sure
S.H.I.E.L.D. can afford that?
::winks::

FADE TO BLACK.
