

THE FORGOTTEN RANGER INFINITY WARS CROSSOVER PART II

Written by Terrell Quentin Rogers

Started on: March 18th, 2015

Edited July 19th, 2016

Based on and inspired by the television series Mighty Morphin Power Rangers and VR Troopers, and the comic books Marvel Annual Issue #7 and Marvel Two In One: The Thing and Spider-man Issue #2 which featured the Avengers battle against Thanos.

Side note the Avengers and heroes being immobilized was an idea inspired by the 1976 Avengers vs Thanos.

AVENGERS INFINITY WARS PART II INTRO

FADE IN

EXT. THE COLLECTOR'S LAIR

Loki is staring at the Corporate Rangers frozen in their respective glass tubes. Loki then stares around at the other immobilized heroes in their respective glass tubes, which include members of the Avengers, X-MEN, and Fantastic Four. Red Skull has on his human face with his short hair.

INT. THE COLLECTOR'S LAIR

JOHANN SHMIDT

Thanos is resting. Shall we pay the mortal a visit?

LOKI

Indeed.. I am certain the "forgotten" one is either hiding or perhaps he saw the truth, and knows this is a war the humans cannot win.

JOHAN SHMIDT

Look at them all.. They've finally been silenced.

Loki walks up to the glass tube which contains Thor.

LOKI

Poor brother.. It's a shame you and the rest of these lost creatures will spend the rest of eternity, frozen in "time".

The Collector can be seen reflecting off the glass as he approaches Loki.

THE COLLECTOR

Care to join them?

Red Skull walks towards the two.

LOKI

Do I like look a figurine?

THE COLLECTOR

Mr. Schmidt?

JOHAN SHMIDT  
I will not entertain you.

THE COLLECTOR  
Beautiful isn't it? The way they  
are all displayed and lined up.

LOKI  
This is where we leave.

Loki and Red Skull walk away.

CUT TO:

EXT. X-MEN FACILITY

Professor Charles Xavier is seen drinking his coffee in his room. Agent Hill with her arms folded staring out the window.

INT. XAVIER'S ROOM

AGENT MARIA HILL  
Corporate Red is out there  
somewhere.

DR. HANK PYM  
We need to reach out to him fast.

AGENT COULSON  
Even if we were to reach out to him  
he will probably decline. Nobody  
couldn't reach him when the heroes  
were being rounded up.

PROFESSOR CHARLES XAVIER  
I'll be able to find him.

AGENT MARIA HILL  
Cerebro...

DR. HANK PYM  
Let's not waste any time.

AGENT COULSON  
We're really going to reach out to  
him?

AGENT MARIA HILL  
I know he had a bad fall out with  
S.H.I.E.L.D. But we need him.

AGENT COULSON  
This is unexpected.....

Everyone except Coulston nods.

AGENT COULSON (CONT'D)  
If we're going to call him. Then  
he's going to need a team. We can't  
risk sending Corporate Red against  
Thanos by himself.

AGENT MARIA HILL  
I don't think Corporate Red would  
want to team with a bunch of  
vigilantes. I mean he's the only  
superhero left.

DR. HANK PYM  
Never judge a book by it's cover. I  
turned a vigilante into a hero  
once. Perhaps Corporate Red can  
turn these vigilantes into heroes  
as well.

PROFESSOR CHARLES XAVIER  
That means we'll have to bring,  
him.

AGENT MARIA HILL  
You're not really think about  
calling him?

PROFESSOR CHARLES XAVIER  
We're going to have to. To be  
honest Corporate Red and him would  
make a great team.

AGENT COULSON  
Two loose cannons.

DR. HANK PYM  
Shoot me when he arrives..

AGENT COULSON  
This is going to be some crossover.  
Where does Terrell live again?

Xavier, Hill and Pym stare at each other and then smile at  
Coulson.

AGENT COULSON (CONT'D)  
Oh.....

CUT TO:

EXT. BEDFORD STUYVESANT, DAYTIME

Terrell comes off a bus and everyone says what's up to him as he walks towards his apartment building. Some people are playing music as he dances to it for a brief and then heads his way towards his apartment building. He notices multiple black jeeps outside his apartment. A few agents stares at him. He doesn't look pleased.

CUT TO:

INT. APARTMENT BUILDING STAIRWAY, HALLWAY

Terrell walks up the steps in his apartment building. Once reaching into his apartment he pulls out his keys and opens the door. He closes the door behind him. Once entering he is shocked to see who is inside.

PROFESSOR CHARLES XAVIER  
Good afternoon Terrell...

TERRELL  
Professor Xavier... This is unexpected.

PROFESSOR CHARLES XAVIER  
Indeed, although I must say I've been following you for quite awhile, besides on television. I'm a huge fan.

TERRELL  
Thank you.. It's an honor to finally meet you professor.

DR. HANK PYM  
Terrell, it's good to see you again.

TERRELL  
Dr. Pym.. It's good to see you again as well.

DR. HANK PYM  
This is my wife Janet.

JANET VAN DYNE  
Pym has said so many great things about you. How you was his first candidate to take over the Ant-man mantle, in which later Scott ended up becoming.

TERRELL

Talk about a change of events that would've been.

JANET VAN DYNE

The professor and I prepared you dinner if you didn't mind. Xavier cheated using his telepathy.

TERRELL

Thank you..

Terrell puts his book bag down.

JANET VAN DYNE

Hank tells me you was the first to defeat Ultron.

TERRELL

I sure did... One of my top four battles...

JANET VAN DYNE

The other three...

TERRELL

Edea, the Hulk and Loki....

Brief silence

TERRELL (CONT'D)

Something tells me you're all here not to just make me dinner?

DR. HANK PYM

The world is going through a crisis.

TERRELL

I've heard of these words before.

PROFESSOR CHARLES XAVIER

It's not just the world this time. The entire universe is in peril at the hands of a mad titan.

TERRELL

So this is the unexpected crossover.

DR. HANK PYM

They're world can be something at times.

TERRELL  
Isn't it marvelous?

Brief silence

TERRELL (CONT'D)  
It's that bad isn't it?

PROFESSOR CHARLES XAVIER  
There is alot I am going to have to  
brief you on.

TERRELL  
Where's Agent Hill? Is she okay?

PROFESSOR CHARLES XAVIER  
Agent Hill I sent on a special  
assignment, along with Agent  
Coulson.

DR. HANK PYM  
Have a seat Terrell..

JANET VAN DYNE  
Food is going to get cold.

TERRELL  
I don't know f I should eat at a  
time like this.

PROFESSOR CHARLES XAVIER  
Sometimes in times of crisis we  
still need to feed ourselves.  
Besides I worked through my  
telepathy to prepare this meal.

Xavier smiles as Terrell. Pym and Janet smile as well.  
Terrell smiles.

TERRELL  
I am all ears professors.

Terrell sits down with the rest at the table.

CUT TO:

EXT. HELL'S KITCHEN, DAYTIME

Agent Maria Hill walks into a bar. At the bar table Jessica  
Jones is watching the television set while Luke Cage cleans a  
glass.

INT. CAGE'S BAR

LUKE CAGE  
Good afternoon

AGENT MARIA HILL  
Good afternoon Mr. Cage. Detective Jones. I see Danny Rand is here with you both as well.

JESSICA JONES  
Some agent you are.

DANNY RAND  
Or she could be part of some hostile force?

AGENT MARIA HILL  
I am Agent Maria Hill, a top level agent from S.H.I.E.L.D. I am here to discuss with you three about being apart of a response team to rescue earth's mightiest captured by the threat up there.

CUT TO:

INT. MATT MURDOCK'S OFFICE

FOGGY NELSON  
Hey Matt, there's some agent out here with some of your pals.

MATT MURDOCK  
Tell them to come in.

Agent Maria Hill enters with Cage, Jones and Fist.

JESSICA JONES  
Murdock

MATT MURDOCK  
Jessica

LUKE CAGE  
Matt

MATT MURDOCK  
Cage

DANNY RAND  
Daredevil

MATT MURDOCK

Iron Fist

AGENT MARIA HILL

Mr. Murdock, aka Daredevil, I am Agent Maria Hill. I am a top level agent from S.H.I.E.L.D. I am here to put together a response team to rescue earth's mightiest from the hostile threat up there.

MATT MURDOCK

I know two people that can join as well.

AGENT MARIA HILL

I am way ahead of you.

CUT TO:

EXT. THE PUNISHER'S SECRET HIDEOUT

Frank Castle, known as The Punisher is seen working on his weapons. He stops working and turns his head. He grabs a steel pipe.

JESSICA JONES

Hey Frank

FRANK CASTLE

The fuck you all doing here?

AGENT MARIA HILL

Frank Castle, I am Agent Maria Hill. I am a top level agent from S.H.I.E.L.D.

FRANK CASTLE

How's Natasha?

AGENT MARIA HILL

She's one of the many captured by the hostile threat up there.

FRANK CASTLE

I hope you're able to bring her back safely, if she's alive. You all have fun being the heroes.

MATT MURDOCK

Frank, we could really use your hand.

AGENT MARIA HILL

Your tactical skills would be a huge help as well.

FRANK CASTLE

I don't take orders from anyone.

AGENT MARIA HILL

Fine, you wouldn't have to take orders from anyone. The spot is open if you want join.

FRANK CASTLE

The way I see we're the rejects. You're elite figures go down, and now you rely on the underworld. Who are you shitting woman?

LUKE CAGE

Frank, I agree with you. But they really do need I help. This is the time we have to put our emotions to the side. We're going to face an individual who is threatening the safety of the entire universe.

Franks stops working and goes into deep thought. He then turns around as everyone stares at him.

CUT TO:

EXT. SAN FRANCISCO, DAYTIME

Deadpool is seen watching the television. Suddenly Cable teleports into the room.

INT. DEADPOOL'S LIVING ROOM

WADE WILSON

You're finally back huh? How much time do you do bub? By the way do you want chimichangas?

CABLE

Wade you can't be serious?

WADE WILSON

Yep, I'm just sitting here on my ass watching the world burn.

CABLE

Listen, that threat up there is a threat to the entire universe. The professor has requested both me and you to report to the Avengers Facility.

WADE WILSON

The Avengers? Earth's Mightiest?

CABLE

Professor Charles Xavier is rounding up all the remaining superpowers.

WADE WILSON

Can he afford us?

CABLE

All of the heroes of earth have been captured. Well except one....

WADE WILSON

So he's rounding up all the vigilantes, and the superhero is going to be our babysitter? So everyone been captured?

CABLE

Yes...

WADE WILSON

The Fantastic Four?

CABLE

Yes...

WADE WILSON

The X-MEN along with your pops?

CABLE

(bitter voice)

Yes...

WADE WILSON

Please don't tell me they got Logan.

CABLE

They got him too bub...

WADE WILSON

Oh please no... Please don't tell me they even got the Power Rangers? I mean the Corporate Rangers.

CABLE

Except Corporate Red...

WADE WILSON

Phew... I like him... Fuck the rest of them.

CABLE

Suit up... We have to go...

WADE WILSON

The professor wants us to be superheroes? Not my thing bub.

Suddenly several members of the S.H.I.E.L.D. Strike Force team break down Wade's door and quickly enter. Wade and Cable go into defense stance. Cable pulls out his plasma gun and Wade grabs his two katanas. Agent Coulson enters the room. The two vigilantes stare at each other and then at Coulson.

WADE WILSON (CONT'D)

(points his katana at Coulson)

The fuck man?

AGENT COULSON

I apologize gentlemen if we came off hostile. You were suppose to knock first.

S.H.I.E.L.D. STRIKE FORCE MEMBER

Sorry....

Cable lowers Deadpool's arm.

CABLE

S.H.I.E.L.D.?

AGENT COULSON

I am Agent Coulston, a top level agent from S.H.I.E.L.D.

WADE WILSON

One of you're carrier ruins I fought on once. One of my old friends once worked for Hydra.

S.H.I.E.L.D. STRIKE FORCE MEMBER

He's a Hydra Agent

All the S.H.I.E.L.D. Strike Force Teams raise their guns at Wade.

CABLE  
(screams)  
Whoa.. Whoa

AGENT COULSON  
(loud tone)  
Deadpool is not Hydra. Everyone  
stand down, now.

The team responds in putting their guns down.

CABLE  
Xavier?

AGENT COULSON  
Did you get the Professor's  
message?

Cable nods.

AGENT COULSON (CONT'D)  
Then there's no time to lose.

WADE WILSON  
Hey, you see here's the thing. I'm  
not a superhero. So you and Cable  
can have fun. By the way where's  
the guy with the eye patch?

AGENT COULSON  
Director Fury is one the  
individuals captured and  
immobilized.

WADE WILSON  
Now that's just cold. By the way  
you will be paying for the damages  
to my door right? I'm sure  
S.H.I.E.L.D. can afford that?  
(winks)

FADE TO BLACK.

FADE IN

EXT. BEDFORD STUYVESANT, DAYTIME

Terrell is seen walking around his living room. Pym and his wife sitting on the sofa chair.

Xavier sitting on his levitation chair with his hands together and in front of his mouth.

TERRELL

What am I suppose to do? I'm just a mortal.

PROFESSOR CHARLES XAVIER

You're soul is different....

TERRELL

I bet....

Xavier then senses something through his telepathy.

PROFESSOR CHARLES XAVIER

We have hostile guests outside.

CUT TO:

EXT. TERRELL'S APARTMENT BUILDING

Loki and Johan Smhidt arrive on earth in the streets of Bedford-Stuyvesant. Everyone stares at the two beings.

CIVILIAN

I'm getting fucking too old for this.

LOKI

Humans

JOHAN SHMIDT

They will soon be in my image.

Terrell runs towards outside. He sees the S.H.I.E.L.D. agents outside aiming their guns at the two.

LOKI

What a welcoming party? Where is Corporate Red?

JOHAN SHMIDT

You don't know what he looks like under the mask?

LOKI

It wasn't a mask. More like a bucket with some type of eye piece.

JOHAN SHMIDT

In today's world they call it a helmet and visor.

LOKI  
Studying the lost creatures have  
you?

TERRELL  
Loki

The two turn their heads at Terrell. An intense stare down begins. Loki and Johan Shmidt slowly begin walking towards Terrell. The civilians begin making a run for it. The two then stop a few distance from Terrell. Xavier orders the agents through telepathy to put their guns down which they acknowledge.

LOKI  
Do I know you?

TERRELL  
Eight years ago you offered me to  
rule both Earth and Asgard. You  
once mistaken me as an Avenger.

FLASHBACK

LOKI  
Join me mortal and together we can  
rule both Earth and Asgard.

CORPORATE RED  
Whoa, I get two rule two planets  
with a god? No thanks..

PRESENT DAY

LOKI  
(smile)  
My old friend... So you're  
Corporate Red...

TERRELL  
I've waited years for this. I must  
say you did pack quite a punch.  
Then again you are a god.

LOKI  
You may have waited years. To me  
it's felt like centuries.

TERRELL  
I want my rematch from the  
invasion.

LOKI

Yes, I remember your defeat at my hands. Then the iron one interfered.

Terrell stares at Red Skull.

TERRELL

I've read about you. I did a journalism blog on you once. The man who would've overthrown Hitler. So you're Johann Schmidt. The man known as the Red Skull. How is this even possible? Or maybe you're a clone?

JOHANN SHMIDT

I am no clone. I am the man you speak of. Captain America's clumsy behavior led me here. During my bout with him on my carrier plane the Tesseract was knocked over. I grabbed it and suddenly energy from the Tesseract open up a doorway to another universe. I was transported to your timeline. Your society has become more filthier during my absence. With the help of Thanos, humanity will be turned into my image.

TERRELL

I still stay by my word. If it wasn't for Captain America, with the powers of the Tesseract at your disposal, you would've taken over the entire Eastern Hemisphere and possibly the world for that matter.

JOHANN SHMIDT

I don't want to kill him.

LOKI

Enough of this....

TERRELL

What are you two doing down here and not up there?

JOHANN SHMIDT

Loki was concerned why you didn't partake in the battle? You're multicolored friends were defeated by the Infinity hand of Thanos.

(MORE)

JOHANN SHMIDT (CONT'D)

Now they're all immobilized and have become property of The Collector.

LOKI

I'm pretty sure he's been briefed by them.

The three turn to see Pym, Janet and Xavier arriving. Terrell turns his attention back to Shmidt and Loki.

TERRELL

There has to be more than that. You two are here to offer me something, aren't you?

LOKI

Become the right hand of Thanos.

TERRELL

And if I refuse?

JOHANN SHMIDT

You know the outcome....

TERRELL

Then it's settled.... Shall we begin?

LOKI

I've yearned for this second battle.

TERRELL

To fight a god and a super soldier, it will be an honor.

JOHAN SHMIDT

Well then Captain Rogers, make the first movie.

The two double team Terrell as he blocks the punches and kicks. Exchanging of punches and kicks amongst the three. Terrell then throws punches and kicks, with Loki and Johann blocking the punches and kicks from him. Terrell performing backflips, kicks, and punches during the double team bout. Terrell is getting overpowered.

DR. HANK PYM

Xavier do something...

Suddenly a huge jet roar as the Blackbird arrive and begins descending. Suddenly several individuals jump out of the Blackbird. Colossus lands causing huge cracks beneath him.

Kitty Pryde lands as well. Luke Cage lands causing cracks on the ground. Jessica Jones lands on the ground. Iron Fist lands on the ground and goes immediately into fighting pose. Matt Murdock lands on the ground as well and slowly rises up. Elektra also lands and she quickly pulls out her daggers. Agent Maria Hill remains piloting the Blackbird. Loki, Red Skull and Terrell are surrounding by the heroes.

LOKI

We can take them on.

JOHAN SHMIDT

Agree

TERRELL

I think it's time to take it to the next level.

(pulls out Corporate Red device)

It's Corporate....

Suddenly Loki and Red Skull hear Thanos in their minds. Terrell and the others stares up and also hears the voice as well.

THANOS

Loki, Red Skull, return at once.

LOKI

Yes my lord.

JOHAN SHMIDT

On our way...

LOKI

We shall battle another time....

TERRELL

Later Loki.... Shmidt...

The two nod at the hero and then teleport. The others walk up to Terrell as he turns around.

TERRELL (CONT'D)

Party crashers.... I didn't ask for your marvelous team.

Everyone looks confused at Terrell's response.

CUT TO:

EXT. SKRULL LABORATORY

The Skrulls are seen working on a Skrull in a medical lab. The Skrull is being injected with the powers of the Fantastic Four. Thanos is seen watching with a Skrull scientist.

INT. THANOS THRONE ROOM

THANOS

Is the Super Skrull almost ready?

SKRULL SCIENTIST

Yes Lord Thanos....

THANOS

The humans are in for a huge surprise.

SKRULL QUEEN

The Skrull empire will never yield to the humans.

THANOS

I must return to my throne

Thanos teleports

CUT TO:

EXT. THANOS LAIR

Thanos is seen sitting on his throne. Loki and Red Skull are kneeling in front of him.

INT. THANOS THRONE ROOM

THANOS

Why were you two on earth?

LOKI

We were trying to recruit the "forgotten" one?

THANOS

Yes, the one the humans are briefing. So he is the one.

LOKI

Yes, my lord. His name is Corporate Red.

(MORE)

LOKI (CONT'D)

His multicolored friends are the amongst the ones immobilized in Taneleer's "collection".

THANOS

This one seems more intelligent than the rest. He also seems more pure of heart, mind, and "soul". There is something special about this one. His soul is far different from the others.

The Infinity Soul Stone lights up at the mention of the word "soul".

LOKI

Hardly a threat to you my lord.

THANOS

I will monitor this one. He is unique and different. Perhaps he is the one that has been haunting me in my nightmares. Is he the one that will give me a real fight? You two are dismissed.

Loki and Red Skull acknowledge and rise up. The two then walk away.

THE COLLECTOR

He will eventually come my lord.

THANOS

He is a mere boy in a man's body. However, I fear this one will give me a real fight.

Thanos makes a fist with the Infinity Gauntlet as cosmic energy fills the scene.

FADE INTO

FADE IN

EXT. SPACE

The Guardians of the Galaxy along are in Starlord's ship racing towards Earth.

GAMORA

If we don't stop Thanos soon the entire universe will collapse.

STAR-LORD  
We'll get to earth in time just be  
patient.

Everyone notices some noise from the boxes in the corner.

STAR-LORD (CONT'D)  
Them boxes been rattling for awhile  
now.

ROCKET RACCOON  
Wait a minute? If I didn't know any  
better.

YONDU  
Indeed...

Yondu walks up to the boxes and reaches his arms through the  
boxes and quickly pulls out the storeaway.

SQUIRREL GIRL  
Oh...

YONDU  
Yep.. We have a storeaway....

SQUIRREL GIRL  
No, please... I just want to  
help... Oh...

STAR-LORD  
Put her down Yondu. She's  
harmless.... Listen, I don't like  
storeaways on my ship. There  
would've been no harm in you  
asking.

GAMORA  
We're going on a dangerous mission.

SQUIRREL GIRL  
I really want to help.

GAMORA  
What's your name?

SQUIRREL GIRL  
I'm Squirrel Girl.

GAMORA  
I'm Gamora.

SQUIRREL GIRL  
Nice to meet you...

ROCKET RACCOON  
I'm Rocket Raccoon...

SQUIRREL GIRL  
But where's your rocket?

ROCKET RACCOON  
Good question?

SQUIRREL GIRL  
What are you?

GROOT  
I'm Groot

STAR-LORD  
I'm the captain, Star-Lord.

YONDU  
Yondu the name and no I don't have  
any nuts.

CUT TO:

EXT. AVENGERS FACILITY UPSTATE NEW YORK

Terrell is walking alongside with Professor Charles Xavier and Dr. Hank Pym. The two approach a door that slowly opens. The room is lightly dim.

INT. A SECRET ROOM

DR. HANK PYM  
For this mission you will be  
assigned a special suit.

TERRELL  
I won't be Corporate Red or Next  
Gen Quantum for this mission?

PROFESSOR CHARLES XAVIER  
Or perhaps the fusion of both?

TERRELL  
Fusion?

PROFESSOR CHARLES XAVIER  
Awhile back I secretly put together  
a group. During the secret meetings  
we put together blueprints of a  
secret project that would lead to  
the creation of a new device.

DR. HANK PYM

The technologies used to create the Corporate Red and Next Gen Quantum device were merged together to create a new device.

Dr. Hank Pym hits a button as the wall opens up. A bright light before a device is seen laying on a metal plate. Dr. Hank Pym hands Terrell the device.

TERRELL

What's this?

PROFESSOR CHARLES XAVIER

The Infinity Red.. Created by the intelligent minds of Tony Stark, Reed Richards, Dr. Hank McCoy and Dr. Hank Pym.

DR. HANK PYM

The only project I agree to work on alongside with Mr. Stark.

Terrell holds the sphere device in his hand. Agent Hill and Agent Coulson arrive to the scene.

AGENT COULSON

Terrell

TERRELL

Agent Coulson

AGENT MARIA HILL

Hey Terrell

TERRELL

Agent Hill, it's great to see you again.

AGENT MARIA HILL

Likewise...

PROFESSOR CHARLES XAVIER

Have they been rounded up?

AGENT COULSON

They're getting wreckless as well.

PROFESSOR CHARLES XAVIER

Terrell, it's time to introduce you to your new team.

AGENT MARIA HILL

Terrell this is your team. Luke Cage, Jessica Jones, Matt Murdock aka Daredevil, Danny Rand aka Iron Fist, most wanted Frank Castle aka The Punisher, and Elektra Natchios.

PROFESSOR CHARLES XAVIER

These are two members of my X-MEN that stayed behind. Katherine Ann aka Kitty, and Piotr Nikolaievitch Rasputin aka Colossus.

COLOSSUS

It's good to finally meet you Corporate Red.

JESSICA JONES

You're quite young...

TERRELL

I'm actually older...

LUKE CAGE

Somebody get this mother fucking a gosh dang sandwich.

TERRELL

I'm not that skinny. Don't make me test my strength.

LUKE CAGE

Anytime.. Somebody ring the bell.

ELEKTRA

Ding...

MATT MURDOCK  
Elektra

ELEKTRA  
What?

FRANK CASTLE  
The fuck is this?

COLOSSUS  
Please everyone no violence. Agent  
Coulson were you able to bring in  
Wade?

AGENT COULSON  
He refused to come...

COLOSSUS  
Perhaps I should call him.

PROFESSOR CHARLES XAVIER  
It's best we leave him out.

TERRELL  
But we need Deadpool.

DEADPOOL  
Don't cry us a river now.

Deadpool and Cable are seen entering the briefing room. The two walk up to Terrell. He stares at the two with a sick smile.

TERRELL  
Wade...

DEADPOOL  
Captain Rogers...

TERRELL  
Deadpool

DEADPOOL  
Corporate Red

Terrell then forms serious facial expression.

TERRELL  
Cable

CABLE  
It's an honor CR.

Terrell turns around at the others.

TERRELL

Now we're ready.

Deadpool, Corporate Red and Cable sit down with the others at the table. Deadpool puts both his feet on the table.

DEADPOOL

So we're the rejects huh?

TERRELL

We're not rejects. We just weren't elite for them. Every team need a rescue team incase there's a failure.

DEADPOOL

Yep, we're the rejects that were denied the Part I entry. Too much politics if you ask me.

COLOSSUS

Wade, it's good to see you.

DEADPOOL

Colossus, buddy, put it there.

Colossus shakes his hand and gets shocked. Deadpool and Terrell laugh.

COLOSSUS

Still the prankster....  
(shaking his right hand)

PROFESSOR CHARLES XAVIER

Alright Wade, that's enough.

Deadpool turns towards Matt Murdock while taking off the shocker off his hand.

DEADPOOL

Can you see me bub?

Matt Murdock hits his stick constantly across Wade's face.

DEADPOOL (CONT'D)

Alright my bad... Damn...

MATT MURDOCK

So you're Deadpool....

DEADPOOL

And you're the famous lawyer of Hell's Kitchen.

ELEKTRA  
I am Elektra Natchios

DEADPOOL  
Hello there....

AGENT MARIA HILL  
This is Danny Rand, known as the  
Iron Fist.

DANNY RAND  
Greetings...

AGENT MARIA HILL  
Frank Castle, who everyone knows  
from the top ten Most Wanted list.  
Those who fear him call him, The  
Punisher.

DEADPOOL  
So the song bad boys plays everyday  
in your head right? What are you  
going to do when they come for you  
may I ask?

FRANK CASTLE  
Go fuck yourself Wade...

DEADPOOL  
Isn't he cranky? Hey who's the  
hotty there?

Kitty Pryde giggles and blushes.

COLOSSUS  
Back off Wade...

DEADPOOL  
Oh shits... For real? I'm so proud  
of you.

Deadpool hugs Colossus.

AGENT COULSON  
Please tell me this is not the  
response team.

AGENT MARIA HILL  
This is the response team.

TERRELL  
I still can't believe this is the  
team I'm leading against Thanos.  
(MORE)

TERRELL (CONT'D)

I'm better off going in blind. My apologies Mr. Murdock.

MATT MURDOCK

It's okay Corporate Red.

DEADPOOL

His name is Terrell.

PROFESSOR CHARLES XAVIER

There were no other options. Besides you all will make a great team.

TERRELL

Why can't I just fight Thanos on my own?

AGENT COULSON

At least now you'll know what it feels like when you disrespect authority.

PROFESSOR CHARLES XAVIER

Coulson...

Terrell walks up to Coulson.

TERRELL

Oh I see.. Pairing me with a bunch of vigilantes to get back at me for walking out on S.H.I.E.L.D.

(brief silence)

Where is the radiation beast?

AGENT MARIA HILL

Lost in space

DEADPOOL

You mean the television show from the 60's?

TERRELL

I loved that show. I first watched it on vhs as a kid and then later watched the re-runs back in the 90's on the original sci-fi. I have the entire seasons on dvd.

DEADPOOL

Hey, settle down tiger. You're getting too excited there. Don't shit in your pants.

TERRELL  
 (angry face)  
 What did you say?

DEADPOOL  
 You heard me mother fucker. Hey  
 didn't you fight against Hydra  
 once? An old friend of mine worked  
 for them. His name was Bob.

TERRELL  
 Oh yeah?

DEADPOOL  
 I last saw him during a bout  
 myself, Colossus and Teenage  
 Warhead at the S.H.I.E.L.D. ruins.  
 I was hunting a guy named.....

TERRELL  
 (brief silence)  
 Okay?

PROFESSOR CHARLES XAVIER  
 He doesn't want to say that name

TERRELL  
 Oh I know the name...

COLOSSUS  
 Terrell, don't....

TERRELL  
 You mean..... Francis

DEADPOOL  
 Fuck you..

TERRELL  
 Why would you want to do that to  
 me? Now be quiet and watch your  
 language.

DEADPOOL  
 (salute)  
 Yes Captain Rogers..

AGENT MARIA HILL  
 He's better than Cap

Everyone except Terrell turns at Agent Maria Hill

AGENT MARIA HILL (CONT'D)  
 Better fighter?

DEADPOOL  
T-Rell I think it's time.

TERRELL  
Dang right... Forget this  
briefing.... To Infinity..

DEADPOOL  
And Beyond.. Wait a minute we're  
not toys. Even though I do use  
sex..

Everyone screams Wade

DEADPOOL (CONT'D)  
What?

Cage pounds his hands on the table and rises up. Jessica  
Jones rises up with him.

LUKE CAGE  
I don't have time for this shit.

JESSICA JONES  
Me either.. If this is the end as  
we know it then let's pulverize  
each other in the bed.

LUKE CAGE  
I'm down for that. We both will go  
out with bang. Let's head back to  
Harlem.

TERRELL  
These sex addicts..

Deadpool puts his left arm on Terrell's right shoulder.

DEADPOOL  
Pussy all in their mouth. Let's  
throw them a bag of condoms while  
we're at it.

TERRELL  
Yeah...

Cage and Jones get up and walk towards the two.

MATT MURDOCK  
People..

ELEKTRA  
Tell me to ring the bell?

COLOSSUS  
Please let's relax...

KITTY PRYDE  
Should I get the popcorn?

Xavier stares at Kitty.

KITTY PRYDE (CONT'D)  
Sorry professor...

LUKE CAGE  
What did you two say?

DEADPOOL  
Don't worry T, I got this..

CORPORATE RED  
The line you stole from MJ. Go get  
em Tiger.

DEADPOOL  
You know something Mr. Cage in  
another universe you probably  
constantly wear yellow pajamas,  
with black tights.

Agent Hill and Coulson's eyes widen.

AGENT COULSON  
Oh this is bad.....

LUKE CAGE  
I don't think you want to get  
burned to the "infinity" degree.

DEADPOOL  
Oh trust me I've been there. What  
about this lady here?

JESSICA JONES  
You better watch what you say?

TERRELL  
Let me get a piece of her.

DEADPOOL  
Handle her good T.. Smack that  
ass..

TERRELL  
Ms. Jones, didn't you have a failed  
stint as Spider-woman?  
(MORE)

TERRELL (CONT'D)

Tangle Jones and Cage in some webbing. Caged in a tangle web. Get it?

DEADPOOL

Pussy webbing? Cum all over

Terrell and Deadpool burst out laughing. Kitty Pryde tries to regain her composure and then bursts out laughing. Elektra just smiles as the rest have serious looks. Iron Fist walks up to the four.

DANNY RAND

You two loose cannons with unwise mouths. We're called the Defenders for a reason.

TERRELL

Who is this crouching tiger hidden dragon dressed up in all green and yellow as if he's Loki's brother, or cousin?

DEADPOOL

Maybe Iron Fist here is the lost brother of Loki? Exiled from Asgard, banished to thy Earth. Or maybe a cousin? Or maybe he's a hybrid?

TERRELL

Or maybe he's a Skrull?

DEADPOOL

What's a Skrull?

TERRELL

The "Fox" hounds would know.

DEADPOOL

Ah.. Inside joke  
(winks)

TERRELL

By the way The Defenders, that's such a cheesy name.

FRANK CASTLE

So is Corporate Red

TERRELL

Why I outta..

DEADPOOL  
Hey, be easy on him tiger.

FRANK CASTLE  
(pushes Wade hand off his  
shoulder)  
Don't touch me..

MATT MURDOCK  
Look everyone arguing and poking  
jabs at each other isn't going to  
get us anywhere.

CABLE  
Mr. Murdock is right. We have to  
take this seriously. This is a  
rescue mission. We have to work  
together to rescue the Avengers, X-  
MEN, the Fantastic Four, and the  
Corporate Rangers.

DEADPOOL  
You're teammates went without you?  
The fuck? They received a special  
invitation and you didn't?

LUKE CAGE  
That's fucked up....

TERRELL  
I chose not to go. Why didn't you  
go with the X-MEN bub?

DEADPOOL  
Did you forget pal? I'm not a  
supehero. I can't speak for the  
rest of the rejects here. You feel  
me?

TERRELL  
No, I don't feel you.

DEADPOOL  
I'm feeling her though...  
(points at Kitty Pryde)

Kitty Pryde giggles and blushes.

COLOSSUS  
Back off Wade..

DEADPOOL  
Or what? You're going to make me  
feel the wrath of mother Russia?

COLOSSUS  
That was not nice..

TERRELL  
(mocks Colossus)  
That was not nice.

Colossus getting mad.

TERRELL (CONT'D)  
(normal tone)  
I was joking around. Relax....

DEADPOOL  
That was actually funny..

AGENT COULSON  
The fuck is this?

AGENT MARIA HILL  
Just let them entertain themselves.

AGENT COULSON  
Fury would've flipped if he seen  
this. Xavier...

PROFESSOR CHARLES XAVIER  
I will not intervene....

FRANK CASTLE  
I'm getting sick of this clown. Let  
me just blow his brains out  
already.

TERRELL  
He has regeneration, bub. You'll  
just be wasting bullets. Unlike me,  
I use a plasma gun. They never run  
out of ammo.

Frank Castle walks up to Terrell. Castle walks around Terrell, as his the hero turns his head to the left. Castle stands behind him.

FRANK CASTLE  
Wise ass huh?

Terrell turns around

TERRELL  
You wanna go at it bub? You  
wouldn't make it to round II in a  
fight against me.

Matt Murdock rises out of his chair.

FRANK CASTLE

You talk alot for a skinny guy.  
I'll make sure you'll know what  
it's like to be a sandwich after I  
get done with you. Then again you  
need a sandwich.

DEADPOOL

That was un-called for. You've  
obviously not seen this man's  
resume. Corporate Red, I'll gladly  
be your wingman. Let's make him red  
like us and make him bleed.

TERRELL

Yeah...

PUNISHER

Two on one huh? I'll handicap both  
of you.

Matt Murdock extends his blind stick blocking the two.

MATT MURDOCK

We're all civilized adults here.

DEADPOOL

Says the guy who woks for an  
uncivilized judicial system.

Brief silence

DEADPOOL (CONT'D)

By the way where's Teenage Warhead?

PROFESSOR CHARLES XAVIER

She grew up..

TERRELL

That and she realized there's  
nothing civilized about being a  
vigilante.

MATT MURDOCK

There's nothing civilized about  
abandoning your teammates while  
they went to fight Thanos.

DEADPOOL

Now they're frozen figurines.  
Popsicled... burr..

TERRELL

I made the right choice.

FRANK CASTLE

Oh really? Yet you complain about leading us into battle? Better yet I won't be taking orders from you.

TERRELL

Oh, I'm suppose to be scared of the guy who goes around killing people in the name of his family? Society turned me into The Forgotten Ranger. Do you see me blowing people's brains out for it?

FRANK CASTLE

If you mention my family again..

TERRELL

Try me....

DEADPOOL

Hey T, just ignore him. Listen bub if this is our last rodeo or one time deal, don't you want Jessica to fuck the shit out of you? I'm pretty sure she gets bored fucking Cage all the time. Release her from his cage. Heck I heard you used to grind Agent Hill's ass during your Agent Quantum days.

Agent Maria Hill blushes, while everyone's eye widen.

PROFESSOR CHARLES XAVIER

(screams)

Wade..

DEADPOOL

What? The man has yet to get any pussy. It's time he's ended his virginity. He'll be....

PROFESSOR CHARLES XAVIER

(loud tone)

That is enough.. Shut up or I will do it for you.

DEADPOOL

I love my head..

(smacks himself)

Alright damn...

A few of the members shaking their heads and some smiling.

PROFESSOR CHARLES XAVIER

Now listen, all of you are going on a rescue mission to save all of earth's heroes. Now here's the briefing. Thanos the one WHO you all will be fighting up against has in possession a universal weapon known as the Infinity Gauntlet. The Infinity Gauntlet has what is known as the Infinity Stones. Thanos went a universal journey to collect them destroying half of the universe in the process. The last remaining Infinity Stone was here on earth, which was on the head of Vision.

DEADPOOL

At least we know who is dead.

TERRELL

But we all saw that coming. Did the cape fool really thought he had a chance?

Xavier gives Terrell and Deadpool a serious cold stare.

DEADPOOL

I apologize for interrupting your narration.

PROFESSOR CHARLES XAVIER

Working with Thanos is Taneleer Tivan, known as The Collector. Taneeler also collects living beings. Thanos after using the powers of the Infinity Stones on the hero to test the Gauntlet, he was going to kill them. Taneleer made a special request for them to be in collection. The heroes of earth are now frozen in time, in glass tubes and are now property of The Collection.

DEADPOOL

Talk about a cold Apocalypse. You know something this room is full of crossovers. You should send a telepathic message to Galactus. Maybe he will eat Thanos.

TERRELL

Nice....

PROFESSOR CHARLES XAVIER

He's dead..

TERRELL

What?

DEADPOOL

The "Foxes" killed the redemption from the cloud huh? Wait I have an idea. Contact Magneto and together you two can do a fusion.

TERRELL

That would be such an Onslaught.

DEADPOOL

Exactly insider  
(winks)

TERRELL

I heard you turned down the trip to Disney World? Or did the mouse say your r rated persona wasn't allowed into the castle, or magical kingdom?

DEADPOOL

Listen, I have feelings too.  
(takes his mask off)  
Do you see this?

Everyone except Xavier, Coulson and Hill say whoa.

FRANK CASTLE

Freddy Kruger looking piece of shit.

ELEKTRA

Who did that to you?

DEADPOOL

Don't ask...

TERRELL

Francis...

DEADPOOL

(screams)  
Zip it..

ELEKTRA  
I hope you killed him.

DEADPOOL  
I did....

ELEKTRA  
You see..

MATT MURDOCK  
I don't want to hear it.....

LUCK CAGE  
Professor Xavier just send me and  
the Defenders up there. We don't  
need scarface, shadowcat, steroid  
metal head, the time traveler, and  
the power ranger over here.

TERRELL  
I am not a Power Ranger.

DEADPOOL  
Wrong universe bub.. Go Go  
Corporate Red  
(does the music beat)

FRANK CASTLE  
If you don't shut up....

COLOSSUS  
Don't tell him to shut up.

FRANK CASTLE  
You want to go at it too?

LUKE CAGE  
You wait you're turn Castle. I'm  
kicking his ass first.

COLOSSUS  
Now you listen to me. How dare you  
call me a steroid metal head? I  
work out every single day. I eat my  
fruits and vegetables and maintain  
strong bones by drinking water and  
glasses of milk.

TERRELL  
Don't you mean metallic bones? Oh  
wait you're not Logan.

JESSICA JONES  
You guys are a mess

ELEKTRA

They sure are...

DEADPOOL

Who's milk you drinking? Kitty's over there right?

COLOSSUS

Wade...

DEADPOOL

Rock on Colossus.. Bang that bitch. Blow jobs I tell you.

Eye's start to widen amongst some.

TERRELL

Language bub... Besides she's Kitty Pryde. She probably slides through him all the time.

DEADPOOL

I'm sure he slides through her. Especially if he's on top of her. Talk about a body slam.

TERRELL

Easy buddy.. He's not The Thing.

DEADPOOL

Now that's another guy that needs some pussy in his life.

TERRELL

Yeah, but his girlfriend went to a "Scandal" of a universe. She would've got rock slammed. So she called her pops one day and hopped on a flight and she sang a song... ABC... it's easy as 123...

Brief silence..

DEADPOOL

You're awesome man..

TERRELL

Thanks..

COLOSSUS

I am about to pound the both of you.

LUKE CAGE

Hey, weren't we about to fight?  
Besides, I'm the only guy in this  
room that can actually fight you  
one on one. Metallic skin vs  
metallic skin..

JESSICA JONES

Tell em Cage..

ELEKTRA

This shall be fun.

MATT MURDOCK

Do not entertain this Elektra.

DEADPOOL

Place your bets anyone?

TERRELL

It's a draw.. Besides this battle  
would be like Disney vs FOX. The  
battle of the mega-houses.

DEADPOOL

Really? Can the studios afford such  
a mega fight?

TERRELL

Well depending on Colossus  
steroids? Kitty go give him a shot.

Kitty tries not to laugh.

COLOSSUS

I am not on steroids

DEADPOOL

You used to be a little smaller in  
height bub. Who remember X2?

Everyone looks around puzzled.

DEADPOOL (CONT'D)

When they were united? Come on  
people insiders. Hashtag master say  
something.

TERRELL

Okay, I'm the second most powerful  
individual in this room.

DEADPOOL  
Lies, you're the third most  
powerful.

TERRELL  
That would mean your second place.  
No gold for you bub.

DEADPOOL  
Then who's number one?

XAVIER  
I am..

DEADPOOL  
Oh...  
(turns to Corporate Red)  
You can have second place since  
you're so used to it. Just like the  
Chitauri. The Iron Nuke said hi  
bub.

TERRELL  
Oh that does it  
(makes a fist and bends  
down alittle)  
"Power"  
(jumps up)  
Punch

Deadpool moves out the way. Agent Hill tries to not laugh.

DEADPOOL  
That cheesy move was fucking way  
too predictable.

CABLE  
Even I was able to calculate it

Xavier, Coulson and Hill turn to Cable.

AGENT COULSON  
We're actually letting this madness  
continue?

Deadpool turns around and gets shot in the face by Castle.

FRANK CASTLE  
Now that was predictable.

LUKE CAGE  
Booyah..

JESSICA JONES

Nice..

TERRELL

What the heck did you do that for?

FRANK CASTLE

Terrell, get the fuck out of my face.

Everyone turns their attention to Wade who is slowly getting up and spits the bullet out of his mouth.

LUKE CAGE

Damn....

JESSICA JONES

He is a wildcard.

AGENT COULSON

Aren't you all?

Everyone turns towards Coulson, then back at Wade.

DEADPOOL

Where's Logan when I need him?

TERRELL

He's chilling with the others bub.  
(helps Wade up)

DEADPOOL

Thanks Tiger..  
(winks)

TERRELL

Something wrong with your eye?

DEADPOOL

(hands on his face)  
Work with me T-Rell

TERRELL

I am Corporate Red. I'm the captain.

DEADPOOL

You just wanted to say that cheap pop line didn't you?

TERRELL

Yes.....

LUKE CAGE  
I'm too old for this shit

JESSICA JONES  
Hey calm down.. You forget we're  
dealing with kids.

DEADPOOL AND TERRELL  
Kids?

FRANK CASTLE  
I've had enough of this.

DANNY RAND  
I agree.. Let's finish this once  
and for all. Defenders..

FRANK CASTLE  
Zip it Daniel....

MATT MURDOCK  
Again all of this arguing is going  
to get us nowhere.

ELEKTRA  
It's giving me pure entertainment.

Deadpool walks up to Mr. Murdock.

DEADPOOL  
Can you see me?

Matt Murdock swings his blind stick into the groin of  
Deadpool. Deadpool falls on the floor.

COLOSSUS  
You hypocrite.... Some peacemaker  
you were. Then again, thank you.

MATT MURDOCK  
Your welcome..

LUKE CAGE  
How about you lay off the steroids?

COLOSSUS  
That does it, I will beat you down  
in the name of mother Russia.

TERRELL  
Oh that was cold. Winter Russia  
cold burr

LUKE CAGE

Jessica

JESSICA JONES

Let's kick some ass

DANNY RAND

I'm with you both

KITTY PRYDE

I got your back Colossus

COLOSSUS

Thank you my love.. We X-MEN always  
stick together.

Xavier in his levitation quickly approaches the group.

PROFESSOR CHARLES XAVIER

Enough.....

Everyone turns towards Xavier.

PROFESSOR CHARLES XAVIER (CONT'D)

That's much better....

Suddenly Xavier senses something coming fast towards earth from the planet Mars. A quick image of the Guardians in Starlord's starship. They are singing "Hooked On A Feeling" by Blue Swede.

TERRELL

What's wrong Xavier?

PROFESSOR CHARLES XAVIER

A strange group is approaching.

DEADPOOL

Don't tell me Doctor Stephen  
Strange is leading them?

AGENT MARIA HILL

He's captured with the rest of  
them.

DEADPOOL

Doctor Stephen Strange? The  
sorcerous supreme captured? Now  
that's strange....

TERRELL

Very strange....

CABLE  
Multi-verse of individuals....  
Strange...

Everyone stares at Cable for a brief.

PROFESSOR CHARLES XAVIER  
By the way you all will be joined  
by someone. He's been hiding over  
there in the shadows all this time.

MAGNETO  
Hiding?

A great adrenaline rush comes over the hero and vigilantes.  
All except Cable go into fighting stance.

MAGNETO (CONT'D)  
More like listening to humanity's  
ignorance.

The hero and vigilantes go into normal stance and give  
Magneto a cold stare.

MAGNETO (CONT'D)  
So what do we have here? A gang of  
renegades.

TERRELL AND DEADPOOL  
Magneto....

Brief silence

DANNY RAND  
You invited him?

LUKE CAGE  
That's crazy...

JESSICA JONES  
That's bullshit....

COLOSSUS  
You are a humiliation to all  
mutants. I will take you down in  
the name of mutants and mankind.

Colossus runs towards Magneto and goes for a punch, but his  
arm stops. Magneto uses his magnetic powers to stop the  
movement of Colossus. Magneto then imitates his hand as if  
he's crushing something. Colossus is in pain.

KITTY PRYDE  
Stop it

PROFESSOR CHARLES XAVIER  
Eric, that's enough...

Magneto lets go of the grip as Colossus goes down on one knee holding his arm. Colossus takes off his metallic skin. Kitty Pryde goes to condole him.

PROFESSOR CHARLES XAVIER (CONT'D)  
Eric is here to assist you in your mission.

ELEKTRA  
You mean to sabotage?

DAREDEVIL  
This is not a good idea.

TERRELL  
(makes angry face)  
Old man Eric won't be able to sabotage this mission.

Magneto walks up to Terrell.

MAGNETO  
Old man? I was kicking the X-MEN's ass while you was in junior high school.

TERRELL  
You're talking to the guy who once worked for the World's Security Council and The Strategic Homeland Intervention, Enforcement and Logistics Division. The man who first defeated Ultron. The man who defeated the most powerful being on the planet. The man who took down the Hulk twice. Do I need to say more?

MAGNETO  
Am I suppose to be impressed? Foolish boy..

Brief silence

MAGNETO (CONT'D)  
I am only assisting you all to rescue my daughter.

ELEKTRA  
You're daughter?

MAGNETO

The one who made news headlines  
once for accidently blowing up a  
building.

DEADPOOL

Scarlett Witch? That means the  
speedster was...

MAGNETO

My son... Mr. Stark is better off  
staying on ice. Corporate Red you  
may have to stop me if I make a  
move. If you're love for humanity  
is really that strong?

TERRELL

What's suppose to mean?

Terrell makes angered look.

DEADPOOL

We're a crazy wildcard aren't we?

MAGNETO

Make no mistake humans once we  
defeat this mad titan, the Infinity  
Gauntlet will be in my possession,  
and my brotherhood shall rule the  
earth.

TERRELL

Oh heck no

LUKE CAGE

We have to take him out.

FRANK CASTLE

Magneto is a threat not only to  
mission, but to humanity itself.

JESSICA JONES

Agree....

LUKE CAGE

Defenders.....

TERRELL

X-MEN

DEADPOOL

Uh? X-Force?

CABLE

Sorry bub....

DEADPOOL

We couldn't afford them either?

PROFESSOR CHARLES XAVIER

Stand down all of you.

FRANK CASTLE

I refuse take orders from you if  
you're going to allow him to  
accompany us.

Frank Castle picks up his shotgun. Magneto uses his magnetic powers to grab it. Terrell reaches out his hand and grabs the shotgun.

TERRELL

That's enough.. Look, I get it  
we're all from different worlds.  
But right now we have to work  
together. The universe is at stake  
because of a mad titan yielding a  
universal weapon. It's going to  
take all of us to stop this  
universal threat.

DEADPOOL

Besides I already told Terrell here  
earlier that the Infinity Gauntlet  
will be apart of my new arsenal.

TERRELL

Not if I get it first you son of  
a.....

PROFESSOR CHARLES XAVIER

That is enough all of you.

Everyone gets silent.

DEADPOOL

Can I say something?

PROFESSOR CHARLES XAVIER

No...

Deadpool talks with Xavier who getting annoyed, puts one hand rubbing his forehead, and other forearm resting on wheelchair arm rest.

DEADPOOL

So let me get this straight. The Defenders get taken out. Then the mini X-MEN get taken out. Then me and Cable get taken out. Then you, Corporate Red, will be "the hero". You finally get to be "the hero"? Now I get it.....

TERRELL

I like the sound of that actually.

DEADPOOL

Write it in script bub.

The two give each other a pound while everyone else remains silent. Terrell tosses Castle back his shotgun.

MATT MURDOCK

If we're able to defeat Thanos than what do we do with the Infinity Gauntlet. It is a universal weapon.

TERRELL

It will belong to me...  
(makes a right fist)

COLOSSUS

It belongs to the X-MEN

LUKE CAGE

It belongs to the Defenders.

FRANK CASTLE

Quite frankly I could give a fuck what happens. I just want to kick some ass.

MATT MURDOCK

For once can you be reasonable?

FRANK CASTLE

Said the man representing a judicial system that is actually blind.

DEADPOOL

We both agree

Frank re-load his shotgun.

DEADPOOL (CONT'D)

Easy bub.....

TERRELL

Who knows maybe someone up there  
might come unexpectedly to help.

DEADPOOL

I wonder...

Terrell and Deadpool stare up

CUT TO:

EXT. OUTER SPACE

Silver Surfer is seen flying at lightspeed through space  
desperately trying to make his way towards earth.

CUT TO:

EXT. AVENGERS FACILITY UPSTATE NEW YORK

Deadpool and Terrell turn towards each other.

TERRELL AND DEADPOOL

Nah...

DEADPOOL

Too expensive...

Everyone exits...

PROFESSOR CHARLES XAVIER

Oh he's coming alright...

CUT TO:

EXT. AVENGERS FACILITY UPSTATE NEW YORK

Everyone is now getting ready for the mission. Jessica Jones  
is seen on S.H.I.E.L.D. Strike Force Combat gear.

JESSICA JONES

You sure you don't want to wear the  
gear?

LUKE CAGE

Did you forget my skin is my  
protection? Besides they may have  
more advanced technology than we  
do.

DEADPOOL  
Educate this woman....

LUKE CAGE  
Wade....

DEADPOOL  
Alright..... Hey T....

Wade and Terrell head for a corner.

DEADPOOL (CONT'D)  
Listen, this may be the last trip  
for all of us. I know you never  
lost your virginity. I'll put it  
like this. I'm a queer?

TERRELL  
You're telling me this because?

DEADPOOL  
If you can't lose your virginity to  
a woman, perhaps me and you, one  
time deal? I'll be honored to take  
it away from you.

TERRELL  
Sorry Wade... I'm straight... Women  
only...

Terrell walks away with a blush and smiles. Everyone turns their attention to a group of individuals arriving. Professor Xavier, Coulson, Hill, Hank and his wife Janet arrive outside. A group of S.H.I.E.L.D. agents stare on. Magneto is the last seen arriving outside now in his combat uniform. The hero and vigilantes line up.

KITTY PRYDE  
No way...

Every Red Ranger is seen lined up. The following, Jason Lee Scott (Red Ranger), Dr. Tommy Oliver (Red Zeo), Theodore Jay Jarvis Johnson (Red Turbo), Andros (Red Space), Leo Corbett (Galaxy Red), Carter Grayson (Lightspeed Red), Wesley Collins (Red Time Force), Eric Myers (Quantum Ranger), Cole Evans (Red Wild Force), Shane Clarke (Red Wing Ranger), Hunter Bradley (Crimson Thunder Ranger), Conner McKnight (Red Dino), Nick Russell (Red Mystic), Mack Hartford (Red Overdrive), Casey Rhodes (Jungle Fury Red), Jayden Shiba (Red Samurai), Troy Burrows (Megaforce Red), Tyler Navarro (Red Dino Charge).

DEADPOOL  
It's a Forever Red sequel.

Terrell walks up to the group.

TERRELL

Jason...

JASON LEE SCOTT

It's good to see you again Terrell.

TERRELL

Dr. Oliver.

DR. TOMMY OLIVER

It's good to see you again my friend.

Starts to introduce himself to each Red Ranger.

AURICO

I am Aurico, from the planet Aquitar.

TERRELL

My name is Terrell. Welcome..

AURICO

I am part of a team known as the Alien Rangers. We have traveled a far distance to help your planet strategic's in the crisis against Thanos. My teammates could not make the travel.

TERRELL

No worries Aurico. I'm sure it was good reason why they couldn't make. Perhaps one day I'll meet them.

THEODORE JAY JARVIS JOHNSON

Just call me TJ... Red Turbo Ranger...

Terrell continues walking and nodding at each member as they introduce themselves.

ANDROS

Andros.... Red Space Ranger

TERRELL

I've heard about you....

LEO CORBETT

Leo... Red Galaxy Ranger...

CARTER GRAYSON

I'm Carter Grayson, Lightspeed  
Rescue Red Ranger. I am also a fire  
fighter and I just want to say I am  
proud of the services you did on  
9/11.

TERRELL

Thank you... I did what I could....

WESLEY COLLINS

Wesley Collins, leader of the  
Silver Guardians. Red Time Force  
Ranger

TERRELL

I know someone who is a member.

ERIC MYERS

Eric Myers, co-leader of the Silver  
Guardians. Quantum Ranger...

TERRELL

I'm also Next Gen Quantum

The two sick smile at each other.

COLE EVANS

DEADPOOL

T, let me spare you the pain. You are a man of honor. It will pain you to say it, so let me give it to him. Listen man Power Rangers and Harry Potter cannot co-exist. You feel me?

NICK RUSSEL

What does Harry Potter have to do with me being the Red Mystic Force Ranger?

DEADPOOL

The magic, what is up with the magic? Does this facility you see here look like Hogwarts?

TERRELL

That's enough Wade...

DEADPOOL

But Terrell...

The two shake hands.

TERRELL  
Wait don't tell me?

DR. TOMMY OLIVER

I can't guarantee any of you will  
return since you will be facing a  
hostile threat like no other.

KITTY PRYDE

If this goodbye....

Kitty Pryde kisses the professor on the forehead and then hugs him. Kitty has a tear coming down her eye. Suddenly she notices Deadpool under her holding a glass.

DEADPOOL

I just wanted to use your tears as  
a glass of water. To quench my  
thirst before this long journey.

Kitty furiously walks away.

DEADPOOL (CONT'D)

What?

Xavier and Colossus form serious looks, as they then shake hands. Terrell is seen walking up to Agent Maria Hill and Agent Coulson.

TERRELL

If anything happens..

AGENT MARIA HILL

Don't.. Don't you say that....

TERRELL

Let's be realistic, I'm a mortal  
facing a being with universal  
powers.

AGENT MARIA HILL

You fought Loki....

TERRELL

And I lost... Plus that situation  
is way different than this. Now  
I'll be facing somebody an "  
infinity" times worse than Loki.

HANK PYM  
Kick his ass Corporate Red...

TERRELL  
I will....

Janet lets go of the hug as Hank puts his arms around his wife in comfort. Terrell and Coulston then shake hands.

AGENT COULSTON  
Make sure you bring my big headed boss back safely.

PROFESSOR CHARLES XAVIER

Yeah

TERRELL  
Cable

DEADPOOL  
Who we shitting? Thanos is going to beat the shit out of us.

AURICO  
Unfortunately I must remain here. I physically can't make the trip. I would require constant water for a battle like this.

PROFESSOR CHARLES XAVIER  
No worries my friend.

DEADPOOL  
Who are you kidding? You just made  
the wise choice grasshopper?

Aurico looks puzzled.

TERRELL  
All right if there's any...

DEADPOOL  
(screams)  
Wait

Everyone turns at Wade.

PROFESSOR CHARLES XAVIER  
Wade make it fast...

DEADPOOL  
Can S.H.I.E.L.D. even afford this  
type of mission?

Everyone except Aurico ah's.

DEADPOOL (CONT'D)  
Damn, everyone is on their period  
today huh?

LUKE CAGE  
So where's our ride?

JESSICA JONES  
Where's the mother ship or whatever  
flying vehicle we're using to get  
up there?

DEADPOOL  
Lady we don't need a space craft to  
get up there. Cable...

Cable does a sick smile and pulls out the cosmic cube.

CABLE  
Computer setting coordinates.

A line energy beam appears and consumes everyone as they  
teleport.

AGENT COULSON  
Well this is it....

AGENT MARIA HILL  
I hope they succeed.....

DR. HANK PYM  
We just have to pray and hope.

PROFESSOR CHARLES XAVIER  
If they don't succeed, he will.

RED SKULL

You're brains are scrambled Corporate Red. This is the most powerful being in the universe.

TERRELL

I've waited a few years for this. Sleepless nights, constant pondering. The day has finally arrived.

THANOS

I've waited centuries for this boy.

TERRELL

Thanos you're crimes against the universe will go unpunished. Even if it means I have to sacrifice myself to take you down.

THANOS

Boy, I would reconsider.....

TERRELL

Shut up...

Thanos eyes widen.

TERRELL (CONT'D)

I will not reconsider anything.

THANOS

Well then...

Loki laughs on the inside as Red Skull smiles. The three form a triangular formation around Terrell.

THANOS (CONT'D)

You cannot fight all three of us.

TERRELL

I can try...

THANOS

Captain Rogers is being punished  
like the rest, frozen in time.

THANOS

Foolish humans....

MAGNETO

I am mutant....

THANOS

Humans, mutants, it doesn't matter  
what life form you are. Anyone that  
defies me shall be destroyed.

Colossus walks through the group.

RED ZEO RANGER  
(screams)  
No...

Red Zeo Ranger bangs his fist on the floor and down on both of his knees breathing heavily.

DEADPOOL  
How the fuck are we going to stop this guy?

DRAX  
I rather die then to end up like the rest of them.

DEADPOOL  
Who the fuck are you? Along with the rest of your gang?

STAR-LORD  
We're the Guardians of the Galaxy.

INFINITY RED

Guardians of the Galaxy? Nope, never heard of your crew. But you can call me, "The Forgotten Ranger".

STARLORD

The Forgotten Ranger?

INFINITY RED

I know, its a cheesy title, but with a meaning. I go by Corporate Red and Next Gen Quantum. I was one of earth's greatest heroes and eventually society forgot about me.

GAMOROA

What exactly did you do?

INFINITY RED

I took down a powerful artificial intelligence. I defeated a powerful being on earth. I took down a powerful beast filled with gamma radiation. I defeated him twice. I was one of earth's greatest heroes. My resume was elite. Eventually I was "forgotten".

ROCKET RACCOON

So let me get this straight. You have an elite resume and you was "forgotten"? You mother fucking live on earth for crying out loud.

INFINITY RED

Am I actually seeing and hearing this? A talking raccoon?

ROCKET RACCON

What is it to you?

INFINITY RED

Were you taken from earth and experimented on? A hybrid raccoon?

ROCKET RACCOON

What did you call me? Let me get a piece of him. Let me at him.

INFINITY RED

Really?

DEADPOOL

Someone give him some trash to  
feast on. Damn Raccoon...

INFINITY RED

His family is probably out hiding  
in them as well.

Infinity Red and Deapool laugh as Rocket Raccoon unbuckles  
his gun belt and goes into fighting stance.

ROCKET RACCOON

Come on, put them fists up..

STARLORD

Easy buddy

CABLE

(screams)  
This is not the time for jokes.

Starlord and Gamora block Rocket Raccoon.

DEADPOOL

Please don't tell me this tree can  
talk?

GROOT

I am Groot

DEADPOOL

Are you shitting me? What are you  
related to the grandmother willow  
tree from Pocahontas? Next thing  
you know we will visually see the  
colors of the wind.

INFINITY RED

Who are you?

SQUIRREL GIRL

I'm Squirrel Girl.

DEADPOOL

That's nice... But how dare you  
guys crash our party? Thanos...

THANOS

Yes...

DEADPOOL

That time thing you was doing. Give  
our guest here a welcoming  
treatment.

CABLE

Have you lost your mind?

INFINITY RED

Nope, he hasn't. I'm siding with Wade on this one. I refuse to have them steal our spotlight.

Thanos smiles and activates the Infinity Time Stone as the Guardians scream in pain. A bright white flash fills the room. The Guardians are now seen time frozen in glass tubes.

CABLE

Have you two lost your mind?

DEADPOOL

This fight wasn't big enough for them. Not enough room space either.

DRAX

He read my mind.

DEADPOOL

The fuck?

THANOS

If you want to please lady death, then so be it.

DRAX

I shall avenge my parents who you murdered.

Drax runs up to Thanos and constantly punches him. But the punches aren't doing any harm to him. Thanos then grabs Drax by throat and tosses him to the side. Red Zeo Ranger goes to fight him and gets punched away. Tommy suit unmorphs.

DR. TOMMY OLIVER

Ah...

DEADPOOL

This guy does pack quite a punch.

INFINITY RED

Tommy...

DR. TOMMY OLIVER

He can't keep me down.

Tommy pulls out another morpher.

DEADPOOL

Oh I always wanted to hear this in person.

DR. TOMMY OLIVER

It's Morphin Time.. Dragonzord..

MIGHTY MORPHIN GREEN RANGER

AYAH

DEADPOOL

Oh yeah shit just got real.

THANOS

The change of color is suppose to frighten me mortal?

MIGHTY MORPHIN GREEN RANGER

Everyone ready...

Mighty Morphin Green Ranger jumps in the air, but quickly gets hit with the powers of the Infinity Time Stone and is frozen in a glass tube.

DEADPOOL

Damn...

Suddenly everyone stares at an individual arriving.

THANOS

I told you not to follow.

DEADPOOL

Sweat FOX.... I knew you come...

INFINITY RED

Silver Surfer

SILVER SURFER

Do I know you?

Infinity Red pulls up the visor.

TERRELL

It's me Corporate Red....

DEADPOOL

In his bad ass new suit.

SILVER SURFER

It's good to see you again...

INFINITY RED

It's good to see you again as well.  
It's been years....

SILVER SURFER

I must inform you that this mad titan has destroyed half of the universe.

TERRELL

We know and we have to stop him before he destroys the entire universe.

SQUIRREL GIRL

Indeed we do... Hey that hammer in the center of the floor.

DEADPOOL

Why are we just now noticing this?

Thanos charges towards the heroes. Silver Surfer fires plasma wave at Thanos that has not shot. Thanos punches Silver Surfer knocking him off his board and across the floor. Cable constantly teleporting and firing his plasma gun. Infinity Red with his sword and Deadpool with his katana's fighting Thanos. Both heroes then use their firing weapons and fire on him. Cable joins as well. Thanos blocks the blasts from the three. Suddenly Squirrel Girl is seen rolling across the ground and trips Thanos from behind. Thanos falls on his back. Squirrel Girl then gets on to Thanos and spins in circle at extreme speed. Thanos just looks puzzled and then plucks her with the Infinity Hand. Thanos slowly gets up. Deadpool tries not to laugh as everyone stares at him.

DEADPOOL (CONT'D)

Alright my bad...

INFINITY RED

Are you alright?

SQUIRREL GIRL

I'll be fine...

INFINITY RED

All this fighting isn't going to mean anything until we remove that glove from him.

Drax is now seen grabbing onto Thanos legs.

DRAX

I will fight you to my last breath.

Thanos then blasts Drax with the Infinity Gauntlet. His body nowhere to be found.

THANOS  
Just like his parents....

INFINITY RED  
Why?

THANOS  
This human....

INFINITY RED  
That was.... life....

LOKI  
He's killed an infinity amount.

THANOS  
Who's next?

Silver Surfer descends on his board with an angry stare as he lines up with Deadpool, Cable and Corporate Red.

DEADPOOL  
Fantastic Four aren't we?

INFINITY RED  
No time for jokes Wade.

CABLE  
I'll hit him with plasma power. You two engage in combat. Silver Surfer.

SILVER SURFER  
I'll attack from the air.

The four engage in battle. Silver Surfer clapping his hands. Cable firing his plasma gun and then throwing an electric sphere at Thanos which has no effect. Deadpool swipes at Thanos with his katana's and then says fuck it and puts them away and tries to fight Thanos fist to fist and fails. Infinity Red fights Thanos fists to fist. The scene moving around as the others seen immobilized in their glass tubes. Infinity Red stares down at Thor's hammer, and grabs it. Thanos runs towards Infinity Red and gets smacked by Thor's hammer in the hands of Infinity Red. Loki and Red Skull eyes widen. Thanos rolls across the floor. Infinity Red jumps into the air and slams the hammer down as Thanos rolls out of the way.

THANOS  
I must wrap this up quickly.

Thanos fires at Cable as he screams. A white flash fills the room as Cable is now frozen in a glass tube. Thanos then fires at Deadpool.

DEADPOOL

Hey stop that tickles. Well tiger  
this is...

A white flash fills the room as Deadpool is now seen frozen in a glass tube in a blow kiss pose. Thanos makes a disgust, while The Collector rolls his eyes. Thanos activates the Infinity Time Stone as as a white flash fills the room again. This time Deadpool is standing tall like the rest. Thanos then stares at Infinity Red and Silver Surfer.

THANOS

Now this is the real fight.
