Earth....

THANOS
You're a human?

LOKI
A different kind of mortal perhaps?

RED SKULL
I am far superior than the humans.
I am a super soldier..

LOKI
I've fought someone just like you.
The one who calls himself
"captain". I also fought another
warrior greater than he.

RED SKULL
Describe this soldier....

LOKI
The soldier of red, white and blue.
The man out of time.

RED SKULL
Out of time?

LOKI
Yes....

RED SKULL
Asgard, one of the realms spoken of
through Norse mythology.

LOKI
No fairy tales here earthling.

RED SKULL
Before I was here I was on Earth
battling Captain Rogers. It also
appears from the words you just
spoke about being out of time, it
appears I've traveled through time.
So I've traveled to the future?
What of Hydra?

THANOS
None of that matters mortal. I have
released you from the Tesseract.
You can either join my regime or be
destroyed.

RED SKULL
What is your purpose?

THANOS
To hunt down the Infinity Stones
and rule the universe. The
Tesseract here holds one of the
them.

death.

HEIMDALL
 You shall not walk away with the
 Infinity Gauntlet.

LOKI
 Thanos is the most....

HEIMDALL
 I am aware.... Sif you and the
 others warn...

Once I gather all six Infinity
Stone I will create a new universe.
The greater world...

LOKI

AVENGERS INFINITY WARS

EXT. MANHATTAN

Shocker and Rhino are battling Spider-man in Manhattan. The web-slinger is getting beat down. Suddenly Iron Man, Vision and Ms. Marvel join the battle.

SPIDER-MAN

Thanks I guess...

IRON MAN

Avengers lets move

Shocker firing his shockwaves at Iron Man and Vision. Rhino goes to charge at Vision with his horn, but Vision uses his powers to force the behemoth to go through him. Ms. Marvel tries to get to near Shocker, but flies away to avoid the electric shockwaves. Vision gets the upper hand with Shocker and takes him out immediately. Meanwhile Corporate Red arrives on the scene.

RHINO

Well, well look who came out of the shadows. You should've stayed in your "forgotten" world. I'm going to pound you like the sandwich that you are.

CORPORATE RED

I'm not that skinny....

Rhino runs towards Corporate Red. Corporate Red flies towards him with red energy surrounding his body. Corporate Red gives him the "Power Punch". Rhino head jerks upwards as he gets dizzy and then falls on his back with huge earthquake thud and cracks underneath him.

IRON MAN

I'm afraid that guy is going to replace the entire team one day.

MS. MARVEL

Talk about a "power" punch.

The civilians and law enforcement cheer.

CORPORATE RED

It was nothing....

The media, civilians and law enforcement however only walk up to the Avengers and Spider-man.

CORPORATE RED (CONT'D)
I'm not surprised.....

During the bout a civilian is severely injured. Corporate Red runs up to injured civilian and flies him to a nearby hospital.

REPORTER
The Avengers have saved the day
once again.

The crowd cheers, with the Avengers staring at the crowd. Spider-man has his arms folded. Iron Man pulls him to the side.

IRON MAN
Listen I'm sorry for sleeping with
your aunt. It was a bad choice. I'm
sorry... We're still pals right?

Spider-man shoots webbing at Iron Man's face and web-slings away.

VISION
He's still mad....

IRON MAN
Yep...

MS. MARVEL
Where's Corporate Red?

IRON MAN
That's a good question?

CUT TO:

CORPORATE RED

A DOCTOR
We'll get him into surgery.

The patient is put onto a bed and rushed into the emergency room.

CORPORATE RED
Surgery? Why aren't you giving him
the healing medicine?

A DOCTOR
What healing medicine?

CORPORATE RED
The healing machine they use at the
Avengers Tower.

A DOCTOR
Look I don't have time for this.

The scene slows down as the doctor is joined by other doctors as they rush the patient into the emergency room. The scene slowly zooms into Corporate Red's helmet as anger is seen building up in his eyes.

Once inside the Kree exchange plasma fire with Irani, Corpsman Dey and members of the Nova Corp. Suddenly Thanos and a few of his guards appear in the office of the Nova Corp. The guards take out the remaining guards of the Nova Corps.

CORSPMAN DEY

Thanos grabs the neck of Corspman Dey, and kills him. He then drops him to the floor and slowly turns towards Irani Rael.

THANOS
The Orb..

A member of the Kree finds the Orb in a container. The servant then approaches Thanos and hands him the Orb. Thanos opens the orb and sees the Infinity Power Stone.

Thanos makes a fist with the Infinity Gauntlet and then uses his other hand to pound the Infinity Power Stone into the gauntlet. He screams while pounding it and allowing the powers to fuse with the gauntlet. He then grabs Irani Rael by the neck with the Infinity Gauntlet.

IRANI RAEI

Screw you....

Thanos breaks Irani neck, killing her in the process. He then drops her to the floor. Her eyes still open as she lays dead with some blood coming out of her mouth. TONY STARK

I was wondering what happen to you?
There he is everyone. This man
right here defended the entire
borough of Brooklyn against the
Chitauri. He also defended the
entire city while me and the others
were pre-occupied hunting down,
Barnes.

CAROL DANVERS

Corporate Red... cheesy name...

TERRELL

You too Ms. Marvel....

Ms. Marvel looks insulted.

JAMES RHODES

He defeated the Hulk twice.

CAROL DANVERS

You don't say....

VISION

He's also the first to defeat
Ultron. Before the resurrection
thanks to one Mr. Stark.

Stark forms a disappointed look at Vision.

JAMES RHODES
Terrell, you're the man.

VISION
The patient....

JAMES RHODES
What patient?

There's a brief silence. Terrell then slowly walks towards the group.

TERRELL
A civilian suffered injuries during that melee. Injuries that took the patients soul.

VISION
I'm sorry Terrell....

Terrell stops halfway from Tony.

TERRELL
Why didn't you do more?

FLASHBACK

Tony gets a glimpse of the vision he saw back in Socovia of the same words Corporate Red is asking him and then back to present day.

PRESENT DAY

TONY STARK
I'm sorry, what happen?

TERRELL
How come none of the hospitals have Dr. Helen Cho's healing technology that was used on Hawkeye?

TONY STARK
These things take time Terrell.

TERRELL
All the money you and the elites have and it takes time?

VISION
Terrell...

TERRELL
Quiet you hypocrite....

MS. MARVEL
Terrell, apologize right now.

James Rhodes gets up off the sofa.

JAMES RHODES
Hey, just take it easy....

TERRELL
Do not touch me....

JAMES RHODES
Okay....

TERRELL
Forget it, I'm leaving....

TONY STARK
Terrell....

TERRELL
A civilian is dead and that
civilian would've been alive had
the hospital had access to Cho's
healing technology. Why is it only
you and a few have access to it?
Maybe Ultron was right?

TONY STARK
You just went way out of line with
that comment.

TERRELL
I refer you to Spider-man and what
did you do? You took someone else
from their education and have that
person be Spider-man.

TONY STARK
What are you talking about? You
refer me to him....

TERRELL
I refer you to Spider-man, not
Spidey-boy.

Vision reads Terrell's mind realizing what he meant. Everyone
in the room remains silent.

TERRELL (CONT'D)
I'm out of here.....

Terrell walks away and heads for the elevator. Vision walks up to him.

VISION

I know what you're up to. There can be a better way to fix the situation.

TERRELL

That's nice....

VISION

There is a better way....

TERRELL

Watch your head Vision....

Terrell enters the elevator and the door closes. Tony and Vision stare at each other for a brief.

INT. THANOS MOTHER SHIP, BRIDGE

THANOS

Do we have a deal?

SKRULL QUEEN

We have a deal. We will put hold our war against the Kree, to assist you in completing the Infinity Gauntlet. The universal shall kneel to the Skrull Empire.

THANOS

My assistant the Red Skull will help you make the human masks to disguise yourselves once we reach Earth. The scepter was last seen there, and with that contains the Infinity Mind Stone.

SKRULL QUEEN

Then it is settled. The great war
over the humans.

THANOS

I will require one of your soldiers
for the special mission.

SKRULL QUEEN

A Skrull will be provided. Once on
earth we will find the candidates
to help create the Super Skrull.

LOKI

The earth is filled with humans
with special abilities. You can use
the powers of any of them to create
the Super Skrull.

SKRULL QUEEN

We shall begin preparations.

The Skrull Queen walks away with her assistants. Thanos and
Red Skull just stare on. The three turn around and talk in
low tone.

LOKI

I highly recommend you keep your
guard high my lord. The Skrull
Empire cannot be trusted.

THANOS

The Skrull Empire will be fools to
double cross me.

CAPTAIN AMERICA
You sure? You haven't been yourself
the past few days.

SCARLETT WITCH
There is alot happening you and the
others wouldn't understand.

CAPTAIN AMERICA
If there's one thing I don't like
it's secrets.

Brief silence

SCARLETT WITCH
I've been having these visions ever
since my first encounter with Stark
during you and the Avengers attack
on Strucker's castle in Sokovia.
When I tried to brainwash Tony I
triggered a vision that showed a
dark future. A vision filled with
destruction and death. A great evil
that will one day take over the
universe or perhaps destroy it.

CAPTAIN AMERICA
Do you think it ties to what Thor
told me and Stark? About someone
playing a game and making pawns of
us?

SCARLETT WITCH
I am afraid so. A threat so severe
every hero Avenger and non-Avenger
must join forces. A great
"crossover" is coming.

A brief silence

SCARLETT WITCH (CONT'D)
Steve....

CAPTAIN AMERICA
Yeah....

SCARLETT WITCH
I am scared...

The two slowly embrace and hug.

It would've looked more organized if it wasn't for a past incident.

LOKI
The Aether, do you still have it?

LOKI
You hope?

TANELEER TIVAN
There was an incident, which resulted in the mess you see here.

TANELEER TIVAN (CONT'D)

It's taken me awhile to finally
clean up.

THANOS

Find it....

TANELEER TIVAN

Lord Thanos...

THANOS

The Aether, contains an Infinity
Stone.

Thanos grabs the garb of Taneeler clothing.

THANOS (CONT'D)

It couldn't have gone that far.

CUT TO:

Taneeler is seen carrying the container which holds the Aether inside. He then hands it over to Thanos. The mad titan then removes the Infinity Reality Stone from the Aether. The Aether slowly fades as he puts the Reality Stone into a finger of the Infinity Gauntlet.

THANOS (CONT'D)

Two more to go...

Thanos then turns around and slowly is about to make his exit.

TANELEER TIVAN

Lord Thanos

THANOS

Yes...

TANELEER TIVAN

May I join you on your journey?

THANOS

You may...

Taneeler Tivan looks around before following Thanos and his faction.

the other planets t may cause a
worldwide panic.

TERRELL

Which means the individual or
parties involved now has the
Tesseract.

MAN

The Council is preparing for an
imminent threat at anytime.

TERRELL

Just keep me updated....

MAN

I will, and Terrell....

Terrell stops walking before exiting.

MAN (CONT'D)

Maybe you should tell your allies
about this threat? What if Thor is
dead?

TERRELL

Have a good evening....

The man looks puzzled as Terrell walks out of the office.

CUT TO:

sceptor was never returned to
Asgard.

THANOS

Set a course for the Terrain
System. The planet none other than,
Earth.

CUT TO:

EXT. THANOS MOTHER SHIP, OUTSIDE

DOCTOR STRANGE

Everything appears the same.....

TERRELL

We're running out of options. The Infinity Stones are being collected as we speak.

DOCTOR STRANGE

If that is true then it can work to our advantage in getting our hands on the Infinity Gauntlet with the Time Stone at our disposal.

TERRELL

What is the Infinity Gauntlet?

Doctor Strange pulls out a book. Terrell walks over to Strange and stares at the book.

DOCTOR STRANGE

The Infinity Gauntlet is universal weapon. A golden glove that contains empty slots for the six Infinity Stones. Three of them you are familiar of, being the Time, Mind and Space Stone. The Space Stone origin is the Tesseract.

TERRELL

I see...

(that explains everything)

DOCTOR STRANGE

The Tesseract, The Scepter once held by Loki, and the Eye of Agammotta each contain an Infinity Stone. Once the six Infinity Stones are together and placed upon the Infinity Gauntlet, anyone possessing it will have control of the universe.

TERRELL

Space, Power, Reality, Time, Mind, and Soul.

DOCTOR STRANGE

If such power went into the wrong hands..

TERRELL

The Tesseract was on Asgard. But it's been destroyed, along with half of the universe. Someone has already started the journey and will eventually arrive here for the two Infinity Stones.

DOCTOR STRANGE

Yes I have seen the visions. Mr. Stark once told me about them. Scarlett Witch failed attempt in trying to take over Tony's mind revealed the dark future ahead. Professor Xavier is also aware.

TERRELL

Tony informed me as well a few years ago.

DOCTOR STRANGE

Perhaps your soul is the one that will save the universe.

TERRELL

We shall see....

DOCTOR STRANGE

Remember what I told you... If we can't restore everything to the original timeline we'll have to get adjusted to living here.

TERRELL

I plan on correcting this...

Terrell exits, as Doctor Strange forms a concerned look.

Yondu walks up to the boxes and reaches his arms through the boxes and quickly pulls out the storeaway.

SQUIRREL GIRL

Hi...

YONDU

Yep.. We have a storeaway....

SQUIRREL GIRL

No, please... I just want to help... Oh...

STAR-LORD

Put her down Yondu. She's harmless.... Listen, I don't like storeaways on my ship. There would've been no harm in you asking.

GAMORA

We're going on a dangerous mission.

SQUIRREL GIRL

I really want to help.

GAMORA

What's your name?

SQUIRREL GIRL

I'm Squirrel Girl.

GAMORA

I'm Gamora..

SILVER SURFER
Galactus....

GALACTUS
Who dares interrupt my feasting?

CUT TO:

INT. THANOS MOTHERSHIP

THANOS SERVANT
Lord Thanos, it is the devourer of
worlds, Galactus. We are doomed...

THANOS
I'll handle him....

Thanos puts on the Infinity Gauntlet.

CUT TO:

EXT. OUTSIDE THANOS MOTHERSHIP, SPACE

Thanos is now seen on the roof of his mother ship. Galactus goes from cosmic mode, to solid physical being mode, but still in his giant form. Thanos just smiles at Galactus.

GALACTUS
You dare mock me?

THANOS
What is there to mock?

GALACTUS
(angered loud tone)
Norrin, get rid of them. Starting
with him...

SILVER SURFER

Yes master...

Silver Surfer then flies towards Thanos on his silver board and claps his hands hard. A powerful energy wave emits from Surfer's hands and hits Thanos. Galactus herald quickly flies around the mad titan and turns around with a sick smile. Then a stunned look forms on his face, followed by a serious stare. The blast had no effect on the titan. Thanos turns his head to the left side. Silver Surfer then flies towards Thanos and then around him. Eventually he slows down the speed of his board. He then walks to the tip of his silver board. Thanos keeps his eyes on him. Silver Surfer then eventually gets a little closer to Thanos, and then stops his board as the two engage in a stare down.

SILVER SURFER (CONT'D)

Galactus, I am sorry. He is more powerful than I. The powers you bestowed upon me are no match for him.

GALACTUS

My herald may not be able to stop you, but I will. I am Galactus, the devourer of worlds. I am the most powerful being in the universe.

THANOS

You have lived a lie. You are about to witness who the most powerful is. Fortunately for you this will be your last breathe.

Thanos uses the Infinity Gauntlet and fires a powerful beam with the use of the Infinity Power Stone and fires into Galactus chest. He screams, and holds his chest in pain. A huge hole in his chest as the trailing smoke quickly fades. Galactus begins to fall backwards. As he descends he falls on top of several ships. Thanos is pleased at the sight of the explosions of the other ships, knowing he has pleased his love, of death.

THANOS (CONT'D)

You are now freed from your herald. Return to wherever you originate from. But be warned, do not make any attempts to follow me or my fleet.

SILVER SURFER

One request I would like to ask.

THANOS
Permission granted....

SILVER SURFER
What is your destination?

THANOS
The disgusting planet known as
Earth. There lies the final pieces
(makes fist with the
Infinity Gauntlet)

SILVER SURFER
I've once visited that planet. Long
ago I once encountered a young
flying human of red clothing.
Thanks to him the earth was spared
after he convinced me to change
Galactus course to devour another
planet that had no life forms.

THANOS
You waste my time telling me this
for my course is the disgusting
Earth.

SILVER SURFER
Do you plan to do to the Earth what
you have done to my now former
master?

THANOS
My Chitauri warriors thirst for
vengeance for their fallen
brothers. For the first battle
started on earth and my quest to
complete the Infinity Gauntlet will
end there. Now step aside or I will
destroy you.

Silver Surfer makes an angry stare as he starts floating
backwards away from Thanos on his silver surfboard.

THANOS (CONT'D)
Wise move....

Thanos uses the powers of the Infinity Gauntlet to teleport
back into his mother ship. Silver Surfer talks in thought.

SILVER SURFER
There has to be something I can do.

FADE INTO

INT. THANOS MOTHERSHIP

then holds Cap's shield with both hands. Thanos with a sick
smile shatters Captain America's vibranium shield into two
pieces. Thanos drops the two pieces of Captain America's
shield. Tony Stark eyes widen and he remembers the vision he
saw through Scarlet Witch. Scarlet Witch remembers the same
vision as she puts her hand over her mouth. The scene goes
back to present.

JEAN GREY

That is the most powerful element
on earth. Imagine what he would've
done to Logan.

CYCLOPS

We could sure use his help right
now.

Iron Man fires his plasma chest beam and mini rockets and
plasma beams from his hands and wrists. Black Widow pulls out
her two plasma guns and begins firing. Cyclops firing his eye
beams from his visor. Gambit throwing his kinetic cards.
Storm with her electric attacks. The Corporate Rangers firing
their plasma guns. Thanos just takes the attacks as if they
were nothing. Everyone then stops firing.

SUE STORM
I have no choice....

Sue Storm forms a shield around Thanos face as she tries to suffocate him. Everyone is hoping the attack works.

SUE STORM (CONT'D)
Please don't force me

Thanos removes the invisible shield with the use of the Infinity Power Stone and removes the shield from his face and reverses Sue's powers on her face as she starts suffocating.

REED RICHARDS
(screaming)
No

THANOS
Fine...

Thanos eventually releases the shield as Sue tries to gasp for air. Suddenly Loki and Red Skull arrive on the scene.

THANOS (CONT'D)
Foolish mortals, with the powers of the Infinity Gauntlet, I can control the entire universe. I can control Space.

Thanos uses the Infinity Space Stone and messes with the cosmos of space.

THANOS (CONT'D)
Time

Thanos then uses the Time Stone to make the superheroes turn prehistoric. They all act like cave people and pound on their chests and talk prehistoric. Thanos then returns them to normal.

THANOS (CONT'D)
Reality

Thanos messes with reality staring at other dimensions.

THANOS (CONT'D)
Mind

Thanos uses the Mind Stone and forces the superheroes to argue amongst each other. The team splits in two as its Civil War Part II. Everyone stares at the third party guests who are aiming their plasma guns at the individuals. Thanos releasing the Mind Stone.

THANOS (CONT'D)

Power

Thanos causes global disturbances on earth.

THANOS (CONT'D)

And Soul.. Well in this case....

Thanos then constantly teleporting punching, kneeling and elbowing the heroes until they are eventually knocked out on the ground. Everyone is laid out on the ground. Thanos then grabs Captain America and Cyclops by the throats.

THANOS (CONT'D)

Now I shall bring you all to....

THE COLLECTOR

(screams)

Wait....

THANOS

What do you want?

THE COLLECTOR

Do you have to kill them, my lord?
After all you have killed the
visionary, and already pleased lady
death with the many that have
already fallen on earth. You don't
have to kill the rest of them now,
do you? Look at them my lord. They
are beautiful.....

THANOS

You want possession of them?

THE COLLECTOR

I want all of them.

Thanos drops Cyclops and Captain America and then starts laughing and activates the Infinity Time Stone.

SCARLET WITCH

Oh no.....

JEAN GREY

(screams)

Scott.....

Everyone screams as a bright light fills the screen.

INT. AVENGERS FACILITY UPSTATE NEW YORK

AGENT MARIA HILL

EXT. THE COLLECTORS MUSUEM

Thanos, Loki and Red Skull are seen arriving into The Collector's museum created by the powers of the Infinity Gauntlet.

INT. THE COLLECTORS MUSUEM

RED SKULL
Such a pity this is their
punishment. Frozen in time for
eternity.

All of the superheroes all lined standing tall and frozen in their individual glass tubes. Each hero is then individually shown. Corporate Red's faction is seen frozen with their helmets held in their right arms.

FADE TO BLACK.

EXT. AVENGERS FACILITY UPSTATE NEW YORK, DAYTIME

DR. HANK PYM
How many were sent?

AGENT FITZ
Almost all of them..

NICK FURY
I think its time for me to have a
little chat with the mad titan.

AGENT COULSON
You sure you want to go through
this?

DIRECTOR NICK FURY
Like the words once said, "a man
gotta do what a man gotta do".

AGENT MARIA HILL
You can't be serious?

PROFESSOR CHARLES XAVIER
He's right Agent Hill..

AGENT MARIA HILL
Professor Xavier...

NICK FURY
I was wondering if you would show
up. Cable...

CABLE
Fury...

AGENT MARIA HILL
Professor are they...

PROFESSOR CHARLES XAVIER
They're alive, but immobilized.
Thanos used the Infinity Time Stone
on them. They are now frozen and in
possession of a immortal by the
name of The Collector.

NICK FURY
Cable send me up there.

CABLE
Are you sure about this?

NICK FURY
I'm sure....

CUT TO:

INT. THE COLLECTORS MUSUEM

Loki is seen staring at the eight Corporate Rangers time frozen in their respective individual glass tubes. The individuals in order Corporate Black, Pink, Blue, Yellow, Green, White, Gold, and Lavender.

LOKI
Something is not right.

RED SKULL
What is the problem Loki?

LOKI
He's going to come eventually...

THANOS
Then let him....

THE COLLECTOR
They are beautiful....

Thanos makes an annoyed look.

RED SKULL
What are you concerned about?

LOKI
Someone is missing...

Loki remembers back the conversation with The Other.

FLASHBACK

THE OTHER
Your ambition is little and born of childish need. We look beyond the earth, to the greater world the Tesseract will unveil.

PRESENT DAY

LOKI
Is the greater world really the symbol of him?

DIRECTOR NICK FURY
Perhaps.. After all history doesn't tell us everything now does it?

LOKI
Well, if it isn't the director.

DIRECTOR NICK FURY
You can head back to earth.

CABLE
Are you sure?

DIRECTOR NICK FURY
Dismiss...

Cable teleports..

DIRECTOR NICK FURY (CONT'D)
What a Fantastic Four we have here.
Johann Shmidt, this was unexpected.
I'm not even going to ask how you
ended up here.

Director Fury stares at the Infinity Gauntlet on Thanos right hand.

DIRECTOR NICK FURY (CONT'D)
Or what's left of it. Did you get a
good glimpse of the 21st century?

RED SKULL
I see humanity has become more ugly
and filthier since my absence. But
that will all change after Thanos
helps humanity become my image.

DIRECTOR NICK FURY
I don't even want to picture it.

THANOS
Is this the one you speak of?

LOKI
No, the one missing is greater than
him.

DIRECTOR NICK FURY
You think that third party hiding
down there is more powerful than
me? Am I the one hiding like a
bitch?

RED SKULL
Perhaps we should pay earth a visit
and search for him?

NICK FURY
Go on right ahead. I didn't come to
see neither of you or Vanilla Ice
hair do over there.

THE COLLECTOR

How insulting.. Or was that a compliment? Who is Vanilla Ice?

DIRECTOR NICK FURY

I came to see him
(points at Thanos)

THANOS

You dare challenge me foolish human?

LOKI

You do not want to anger Lord Thanos. As you can see what he has done to your friends here.

DIRECTOR NICK FURY

I'm aware...

THANOS

Leave us, or else.

DIRECTOR NICK FURY

It's takes a man courage to do what I'm about to do. But before I begin let me quote a scripture.

RED SKULL

Religion, I spit on it.

THANOS

Let him speak...

DIRECTOR NICK FURY

The path of the righteous man is beset on all sides by the iniquities of the selfish and the tyranny of evil men. Blessed is he who, in the name of charity and good will, shepherds the weak through the valley of darkness, for he is truly his brother's keeper and the finder of lost children. And I will strike down upon thee with great vengeance and furious anger those who attempt to poison and destroy my brothers. And you will know my name is the Lord when I lay my vengeance upon thee.

LOKI

I'm sorry, what was that?

Director Fury then pulls out his gun and starts shooting. Thanos using the Infinity Gauntlet to form a protective wall shield. Fury then starts screaming and runs towards the four, pulling out his katana.

THANOS

Taneleer?

THE COLLECTOR

Of course

Thanos fires the Infinity Time Stone at Nick Fury as Nick screams in pain. A huge flash and then Director Fury is now seen frozen standing tall inside a glass tube, and now with the rest of the superheroes. The Collector walks up to the frozen director.

THE COLLECTOR (CONT'D)

Thank you...

Thanos walks away, as Red Skull walks up to Loki.

RED SKULL

Perhaps we should pay this
"forgotten" one a visit.

LOKI

Indeed..

NEW SCENE

INT. AVENGERS FACILITY UPSTATE NEW YORK

Professor Charles Xavier is then seen with his eyes closed and his hands folded over his face. Xavier unfolds his hands and opens his eyes.

PROFESSOR CHARLES XAVIER

Fury has been immobilized.

AGENT COULSON

That's it... There's no one left...

Brief silence amongst the group.

DR. HANK PYM

Wait.... I know a guy....

AGENT MARIA HILL

You're right.... There is someone
still out there...

DR. HANK PYM

Same guy?

AGENT MARIA HILL

I hear from the streets he has a short story track.

DR. HANK PYM

"Power" moves?

AGENT MARIA HILL

And he "jumps" into action from the streets of Brooklyn.

PROFESSOR CHARLES XAVIER

The greats minds are thinking alike.

AGENT COULSON

Wait, you don't mean?

Hill and Pym smile at each other.

AGENT COULSON (CONT'D)

Oh no, we are not calling him. He is a rebel, a wild card. He even left his friends hanging to fight Thanos.

AGENT MARIA HILL

He's our last hope Coulson.

DR. HANK PYM

And he packs quite a punch.

PROFESSOR CHARLES XAVIER

His soul is also the only one capable of giving Thanos a worthy fight.

AGENT MARIA HILL

Really?

The professor nods.

AGENT FITZ

So how do we reach him?
S.H.I.E.L.D. cut communication off from him ever since he walked out on S.H.I.E.L.D.

AGENT MARIA HILL

I communicated with him during the lead up of the first Chitauri invasion. I know where to find him. I just hope he's not out of the city.

PROFESSOR CHARLES XAVIER

I can track him down through cerebro as well.

AGENT COULSON

We're not going after the third party. I rather go after the vigilantes in Hell's Kitchen than him.

AGENT MARIA HILL

Coulston, we don't have any other options.

PROFESSOR CHARLES XAVIER

Plus those vigilantes in Hell's Kitchen wouldn't stand a chance. This individual however his "soul" is different from the others.

AGENT COULSTON

He's a loose cannon.

AGENT MARIA HILL

Was he really?

AGENT COULSTON

We're not bringing in the third party.

PROFESSOR CHARLES XAVIER

Coulston

AGENT COULSTON

Professor

PROFESSOR CHARLES XAVIER

We're bringing in the third party.

AGENT COULSTON

We're bringing him in.

JANET

Who is this individual they speak of?

DR. HANK PYM

Brace yourself, you're about to meet a hero far different than the rest of them.

AGENT SIMMONS

Do you think he will come?

PROFESSOR CHARLES XAVIER

I think it's time you give him a ring.

AGENT MARIA HILL

I'm on it....

FADE TO BLACK.

INT. DEADPOOL'S APARTMENT

Deadpool is seen watching the television set. Suddenly Cable teleports in the room.

DEADPOOL

Time traveling again? Going through the different parrallel universes to see who survived the Apocalypse?

CABLE
I had a long day..

DEADPOOL
Damn what happen to you.

CABLE
I was in war, while you was sitting here on your ass.

DEADPOOL
Yep I was sitting here watching the world end on television and eating Chimichangas.

CABLE
Listen, that threat up there is a threat to the entire universe. He took out all the heroes. The professor has requested for both me and you to report to the Avengers Facility.

DEADPOOL

CABLE
Professor Charles Xavier

DEADPOOL
Can he afford us? Wait the Avengers? Are you shitting me?

CABLE
All of the heroes of earth have been captured. The Avengers, X-MEN, Fantastic Four. Even them fucking Power Ranger rip-offs the Corporate Red. Well except one....

DEADPOOL
The professor wants us to be superheroes? Not my thing bub.

Suddenly several members of the S.H.I.E.L.D. Strike Force team break down Wade's door and quickly enter. Deadpool and Cable go into defense stance. Cable pulls out his plasma gun and Deadpool grabs his two katanas. Agent Coulston enters the room. The two vigilantes stare at each other and then at Coulston.

DEADPOOL (CONT'D)
::points his katana at Coulston::
The fuck man?

AGENT COULSON
I apologize gentlemen if we came
off hostile.

Cable lowers Deadpool's arm.

CABLE
S.H.I.E.L.D.?

AGENT COULSON
I am Agent Coulson of S.H.I.E.L.D.

CABLE
I've heard of the organization.
What brings you here?

AGENT COULSON
Did you get the Professors message?

Cable nods.

AGENT COULSON (CONT'D)
Then there's no time to lose.

DEADPOOL
Hey, you see here's the thing. I'm
not a superhero.

AGENT COULSON
No worries! There was one that is
still left here on earth. The last
remaining superhero on earth. He
will be leading the rescue team.

DEADPOOL
Rescue mission?

CABLE
Wade!

DEADPOOL
So I finally get to meet the eye
patch guy.

AGENT COULSTON
He's been captured!

DEADPOOL
That's a bummer! By the way you
will be paying for the damages to
my door right.
(MORE)

DEADPOOL (CONT'D)
I'm sure S.H.I.E.L.D. can afford
that? ::winks::
