Written by Terrell Quentin Rogers

Started on: March 18th, 2015

Edited July 19th, 2016

Based on and inspired by the television series Mighty Morphin Power Rangers and VR Troopers, and the comic books Marvel Annual Issue #7 and Marvel Two In One: The Thing and Spider-man Issue #2 which featured the Avengers battle against Thanos.

Side note the Avengers and heroes being immobilized was an idea inspired by the 1976 Avengers vs Thanos.

DEADPOOL

Just don't call me Ash..

LOGAN
The fuck happen?

DEADPOOL

PROFESSOR CHARLES XAVIER

DEADPOOL
(loud tone)
Don't say that..

Prof. Xavier gives Deadpool a grumpy look.

DEADPOOL (CONT'D)
(normal tone)
Sorry professors..

PROFESSOR CHARLES XAVIER
Is there a problem gentlemen?

CABLE
I'm sure you already know Prof?

The Prof then reads his mind.

PROFESSOR CHARLES XAVIER
Logan, stop cooking..

LOGAN
Chuck..

The Prof sits up as Cable walks towards him. He then helps him to his wheel chair.

PROFESSOR CHARLES XAVIER
Apocalypse, Phoenix, Ultron, Dr. Doom, Queen Edea, even Magneto. Our heroes have faced countless enemies. But I have never seen a threat like this.

CABLE
The only way we're going to be able to stop this threat is to gather heroes from the multi-verse.

PROFESSOR CHARLES XAVIER
A Secret War..

CABLE
I need your help Professor. I need to re-form the X-MEN.

PROFESSOR CHARLES XAVIER
If you don't mind, I prefer a
different path.

CABLE
A different team?

The professor then slowly puts his hands on Cables foreheads. Cable slowly closes his eyes. He then sees flashes and sounds of thunder as he sees Kitty Pryde, Colossus, Luke Cage, Jessica Jones, Daredevil, Iron Fist, Punisher, and then a huge thunder sound with the scene ending with Corporate Red. Cable then opens his eyes.

CABLE (CONT'D)
Now that's a team..

PROFESSOR CHARLES XAVIER

and yourself and we'll have the
keys of stopping, Thanos.

CABLE
Well then..
(grins)
Let's get to work..

The two teleport next to Logan and Deadpool.

me wet myself..

LOKI

It's a shame you and the rest of
these lost creatures will spend the
rest of eternity, in silence.

The Collector can be seen reflecting off the glass as he
approaches Loki.

THE COLLECTOR

Care to join them?

LOKI

Do I like look a figurine?

THE COLLECTOR

Mr. Schmidt?

JOHAN SHMIDT

I will not entertain you..

THE COLLECTOR

Beautiful isn't it? The way they
are all displayed and lined up.

Loki and Red Skull walk away. The Collector then turns his

INT. WAR ROOM

NICK FURY
Welcome back soldier..

LOGAN
How was it?

CABLE
We lost alot of good men, and
women.

PROFESSOR CHARLES XAVIER
Its time to assemble..

CABLE
But we need him..

DR. HANK PYM
Corporate Red is out there
somewhere..

AGENT COULSON
We don't need him..

DEADPOOL
You're MCU did.. Look we're it
ended up.. boom..

LOGAN
Without him the team isn't
complete.

DR. HANK PYM
Logan is right..

JANET VAN DYNE
What if he says no?

CABLE
Depending on the universe.. I've
met two parallel Terrell's. One
good, and the other evil.

PROFESSOR CHARLES XAVIER
We'll avoid the mirror universe for
now.

CABLE
The alternate timeline..

PROFESSOR CHARLES XAVIER
Do you still have the cube to get
there?

CABLE
Affirmative..

AGENT COULSON
Even if we were to reach out to him
he will probably decline.

Everyone then turns their attention to Colonel Nicholas Fury,
the original Nick.

NICK FURY
I've encountered multiple
generations. I should be the one to
talk to him.

AGENT COULSON
Colonel?

NICK FURY
Talk to me son..

AGENT COULSON

With all due respect.. He had a bad fallout with S.H.I.E.L.D.

DEADPOOL

In your PG universe..

NICK FURY

At ease Wade..

DR. HANK PYM

I had a fallout with S.H.I.E.L.D.

NICK FURY

So did I.. I took it the hardest.. Yet I'm here aren't I?

Brief silence..

AGENT COULSON

Dr. Pym, we could sure use your giant boot against Thanos.

DR. HANK PYM

I know, but father time has caught up to me. Then again if I can get my hands on that Gauntlet. I hear that Time Stone..

AGENT COULSON

Agree..

DEADPOOL

I hear in your universe it turned Spider-man from an adult to a teen.

AGENT COULSON

We're wasting time.. We need to start recruitment now.

Colossus and Kitty Pryde are seen behind a hall listening.

PROFESSOR CHARLES XAVIER

You two can stop hiding.

KITTY PRYDE

Sorry Prof..

COLOSSUS

We want to help Prof..

PROFESSOR CHARLES XAVIER

You too will.. My survivors..

Kitty Pryde gulps in a emotional choke as Colossus comforts her with his right arm.

NICK FURY
(lights his cigar)
Dr. Pym..

DR. HANK PYM
Colonel?

NICK FURY
Give me a dimensional transport device..

DR. HANK PYM
You're going to search for him aren't you?

NICK FURY
One of them has the balls to step up to the plate. I've narrowed down the list.

DR. HANK PYM
What about the others?

Nick Fury picks up a remote and aims it at the screen as the screen monitor changes and shows a group of heroes.

DR. HANK PYM (CONT'D)
(whistles)
This is different..

AGENT COULSON
Luke Cage, Detective Jessica Jones, billionaire Danny Rand, and lawyer Matt Murdock. Danny Rand now as the Iron Fist and Matt Murdock who becomes the vigilante at night known as Daredevil. Together the four form the Defenders. Cage resides in Harlem, while the rest can be found in Hells Kitchen. The Punisher in any universe is constantly in hiding or on the run. But either way he shows no mercy for criminals.

DEADPOOL
Mother fucking R rated team. Where Disney at?

Cable slaps Deadpool in the back of the head.

DEADPOOL (CONT'D)

(loud tone)

What? Did they really think a PG
rated team was going to take down a
R rated villain.

Kitty Pryde giggles as Colossus smiles, but he then does
serious stare.

DR. HANK PYM

Corporate Red isn't going to want
to team with a bunch of vigilantes.

DEADPOOL

You mean, he doesn't want to join
the X-MEN? Not even the X-Force..

CABLE

Extinct..

DEADPOOL

Zip it..

AGENT COULSON

Who said he was perfect?

DR. HANK PYM

You watch your mouth..

NICK FURY

Easy soldiers..

DR. HANK PYM

Never judge a book by it's cover. I
turned a vigilante into a hero
once. Perhaps Corporate Red can
turn these vigilantes into heroes
as well.

AGENT COULSON

Or they can turn themselves into
heroes..

PROFESSOR CHARLES XAVIER

Logan..

LOGAN

I'll assist Fury in search of the
kid..

PROFESSOR CHARLES XAVIER

I'll also search for him as well.

DEADPOOL

I hope you find him, I fuck's wih
Corporate Red.

AGENT COULSON

Two of the biggest loose cannons
joining forces with a bunch of
street vigilantes.

NICK FURY

It's the end of the world as we
know it. I'll need a couple of
cigars and whiskeys for this one.

DR. HANK PYM

I'll be glad to greet Corporate
Red. But shoot me now if I have to
stick with him.

JANET VAN DYNE

Hank....

DEADPOOL

I have feelings too..

AGENT COULSON

This is going to be some crossover.

DEADPOOL

So this is the Disney FOX deal
right?

Everyone ugh's..

My name is colonel Nick Fury, former director of S.H.I.E.L.D.

CORPORATE RED

S.H.I.E.L.D.? Never heard of them..

COLONEL NICK FURY

So that explains the city skyline. Or perhaps this universe doesn't have S.H.I.E.L.D.

CORPORATE RED

What do you mean?

Another man is seen in the room and its none other than Cable. The hero turns at Cable and then at the other man.

LOGAN

In another universe you do.. Call me Logan, aka Wolverine.

TERRELL

Nice to meet you..

Logan nods..

TERRELL (CONT'D)

So there's been no universe that was able to defeat this threat?

There were two. In one universe he's defeated at the hands of Tony Stark, known to the world as Iron Man, assisted by Natasha Ramonov aka Black Widow, and Dr. Bunner in his monstrous transformation the Hulk along with Ronnin, who in other universes is known as Hawkeye. In another universe he's defeated by a heroine. Her name Carol Danvers, aka Captain Marvel. The Thanos we're facing fought a Captain Marvel in another parallel timeline. She sacrificed herself to try to defeat him, but to no prevail.

AGENT COULSON

I was there. He destroyed my timeline and I lost my May.

Terrell forms a serious stare.

TERRELL

I'll do whatever I can.
(brief silence)
What do you want me to do?

COLONEL NICK FURY

We need your help to form the Secret Avengers..

TERRELL

A Secret War..

Everyone nods..

TERRELL (CONT'D)

Who am I facing up against?

Dr. Pym hands Terrell the Infinity Red device.

TERRELL

Upgrade for Corporate Red?

DR. HANK PYM

Upgrade to Next Gen Quantum. It is
the combination of Corporate Red
and Next Gen Quantum.

TERRELL

Next Gen Quantum device I have with
me as well. It was a upgrade by the
Corporation created by Professor
Jonathan.

DR. HANK PYM

In my universe it was a upgrade
created by S.H.I.E.L.D. scientists.

Brief silence

DR. HANK PYM (CONT'D)

Our timelines are different..

TERRELL

Very different.. So this Infinity Red..

PROFESSOR CHARLES XAVIER

Awhile back I secretly put together a group. We called ourselves the Illuminati. We put together a secret project that would lead to the creation of a new device that would initiate a new fighting mantle.

DR. HANK PYM

The technologies used to create the Corporate Red and Next Gen Quantum devices were merged together to create a new device. We also merged some Stark tech with it since Stark was one of the members.

PROFESSOR CHARLES XAVIER

The Infinity Red Initiative was created by the intelligent minds of Tony Stark, Reed Richards, Dr. Hank McCoy and Dr. Hank Pym.

DR. HANK PYM

The only project I agree to work on alongside with Mr. Stark. As I stated we merged the technologies used to create the Corporate Red and Next Gen devices into the Stark tech to create a new hero.

Terrell picks the sphere device in his hand. Agent Coulson arrive to the scene.

AGENT COULSON

Terrell..

TERRELL

Hi..

AGENT COULSON

Agent Coulson.. Welcome to the team. Hopefully we can finally end the madness and restore the universes that were destroyed by Thanos.

(brief silence)

Including mine..

Agent Coulson walks away..

TERRELL
What happen?

CABLE
He lost Philina..

TERRELL
What?

PROFESSOR CHARLES XAVIER
His love.. Agent May..

CUT TO:

EXT. SECRET HIDEOUT

A brief view outside the secret hideout.

INT. BRIEFING ROOM

Everyone turns around as Xavier enters with Dr. Hank Pym, Janet, Agent Hill and Agent Coulson, and Terrell.

PROFESSOR CHARLES XAVIER
Welcome everyone.. I am Professor Charles Xavier.

COLONEL NICK FURY
I am Colonel Nicholas Fury, director of S.H.I.E.L.D.

DR. HANK PYM
I'm Dr. Hank Pym..

Corporate Red enters the room.

DR. HANK PYM (CONT'D)
You're late..

CORPORATE RED
I was doing some research.

LUKE CAGE
Hey T..

CORPORATE RED
Yeah..

LUKE CAGE
Get a mother fucking sandwich.

CORPORATE RED=
 Don't judge a book by its cover.
 Perhaps I should show you my
 strength and give you an
 exhibition?

LUKE CAGE
 Anytime.. Somebody ring the bell.

JESSICA JONES
 Ding..

MATT MURDOCK
 Jessica..

PROFESSOR CHARLES XAVIER
 Everyone be seated..

Everyone goes to a seat. Deadpool sits next to Corporate Red.
 Wade puts his feet on the table as Terrell tries to not laugh.

CORPORATE RED
 Wade?

DEADPOOL
 Captain Rogers...

CORPORATE RED
 Deadpool?

DEADPOOL
 Corporate Red.. So we're the
 rejects huh?

CORPORATE RED
 We're not rejects, Wade. We just
 weren't elite for them. Every team
 need a rescue team incase there's a
 failure.

DEADPOOL
 Yep, we're the rejects that were
 denied the Part I entry. Too much
 politics if you ask me.

PROFESSOR CHARLES XAVIER
 Everyone please meet two members of
 my X-MEN. Katherine Ann aka Kitty
 Pryde, and Piotr Nikolaievitch
 Rasputin aka Colossus.

The two X-MEN members walk in.

DEADPOOL
Westchester I tell you..

COLOSSUS
It's good to meet you Corporate
Red.

CORPORATE RED
Likewise..

COLOSSUS
Wade, it's good to see you my
friend.

DEADPOOL
Colossus, buddy, put it there.

Colossus shakes his hand and gets shocked. Deadpool and
Terrell laugh.

COLOSSUS
Still the prankster....
(shaking his right hand)

COLONEL NICK FURY
Mr. Wilson..

PROFESSOR CHARLES XAVIER
Wade, that's enough....

Deadpool turns towards Matt Murdock while taking off the
shocker off his hand.

DEADPOOL
Can you see me bub?

Matt Murdock hits his stick constantly across Wade's face.

DEADPOOL (CONT'D)
Alright my bad... Damn...

MATT MURDOCK
So you're Deadpool....

DEADPOOL
Aren't you're the famous lawyer of
Hell's Kitchen?

ELEKTRA
He sure is..

DEADPOOL
Well hello there.. Who is she?

ELEKTRA
I am Elektra Natchios..

He turn turns to Terrell.

DEADPOOL
Who invited her?

ELEKTRA
What?

DEADPOOL
Do you wanna go?

Deadpool pulls out his katana's as Elektra gets up and pulls out her daggers.

CABLE
Ah fuck..

AGENT COULSON
Everyone calm down..

COLOSSUS
Please everyone no violence.

TERRELL
(sarcastic)
Awe is Colossus going weep weep?

DEADPOOL
Don't cry us a river now.

PROFESSOR CHARLES XAVIER
Put your weapons away or I will..

The two slowly put their weapons away and sit down.

COLONEL NICK FURY
So who do we have?

AGENT COULSON
Detective Jones, she has enhance
strength and had a failed stint as
Spider-woman.

Everyone except Xavier, Fury, Pym, Coulson, Castle, and Jones snicker and laugh.

JESSICA JONES
Why did you have to bring that up?

DEADPOOL
Hey Jessica..

JESSICA JONES
 (loud tone)
 Zip it..

DEADPOOL
 Okay..

AGENT COULSON
 Luke Cage, body of iron, taking
 down many crimelords in the streets
 of Harlem.

Cage pounds his chest..

AGENT COULSON (CONT'D)
 Danny Rand, known as the Iron Fist.

Danny lights up his iron fist.

AGENT COULSON (CONT'D)
 Frank Castle, who everyone knows
 from the top ten Most Wanted list.
 Those who fear him call him, The
 Punisher.

DEADPOOL
 So the song bad boys plays everyday
 in your head right? What are you
 going to do when they come for you
 may I ask?

FRANK CASTLE
 Go fuck yourself Wade...

DEADPOOL
 Isn't he cranky? Hey who's the
 hotty there?

Kitty Pryde giggles and blushes.

COLOSSUS
 Back off Wade...

DEADPOOL
 Oh shits.. For real? I'm so proud
 of you.

Deadpool gets up and hugs Colossus. Colossus pats him on the
 back.

DEADPOOL (CONT'D)
 Put it there..

COLOSSUS
No shock this time?

DEADPOOL
You're my friend..

Colossus shakes Deadpool's hand only to get shocked. Deadpool and Corporate Red laugh. Colossus gets mad and takes a few steps away.

DR. HANK PYM
Somebody..

JANET VAN DYNE
Hank..

COLONEL NICK FURY
This is going to be a roller
coaster.

TERRELL
I have a migraine..

MATT MURDOCK
It's okay Corporate Red..

DEADPOOL
His name is Terrell..

CORPORATE RED
Why can't I just fight Thanos on my
own?

JESSICA JONES
Some balls you got there T..

KITTY PRYDE
Shouldn't we recruit Dr. Banner as
well.

AGENT COULSON
Most of them sent to space..

DEADPOOL
He 's probably lost in space.

CORPORATE RED
You mean the television show from
the 60's?

CORPORATE RED (CONT'D)

I loved that show. I first watched it on vhs as a kid and then later watched the re-runs back in the 90's on the original sci-fi. I have the entire seasons on dvd.

DEADPOOL

Hey, settle down tiger. You're getting too excited there. Don't shit in your pants.

CORPORATE RED

(angry face)
What did you say?

DEADPOOL

You heard me mother fucker. Hey didn't you fight against Hydra once? An old friend of mine worked for them. His name was Bob.

CORPORATE RED

In another universe.. Just to let you know I was gathering data from Cable's cube. Now I know everything.. What were you saying about Bob?

DEADPOOL

I last saw him during a bout myself, Colossus and Teenage Warhead had at the S.H.I.E.L.D. ruins. I was battling a guy named..

CORPORATE RED

(brief silence)
Okay?

PROFESSOR CHARLES XAVIER

He doesn't want to say that name

CORPORATE RED

Oh I know the name..

COLONEL NICK FURY

Terrell..

COLOSSUS

Terrell, don't....

CORPORATE RED

You mean..... Francis

DEADPOOL

Fuck you..

CORPORATE RED

Why would you want to do that to me? Now be quiet and watch your language.

DEADPOOL

(salute)

Yes Captain Rogers..

AGENT COULSON

If only Captain America was here.

Everyone stares at Coulson..

DEADPOOL

T-Rell I think it's time.

CORPORATE RED

Dang right... Forget this briefing.... To Infinity..

DEADPOOL

And Beyond.. Wait a minute we're not toys. Even though I do use sex..

Everyone screams Wade..

DEADPOOL (CONT'D)

What?

Cage pounds his hands on the table and rises up. Jessica Jones rises up with him.

LUKE CAGE

I don't have time for this shit.

JESSICA JONES

Me either.. If this is the end as we know it then let's pulverize each other in the bed.

LUKE CAGE

I'm down for that. We'll both go out with a bang. Let's head back to Harlem.

CORPORATE RED

These sex addicts..

Deadpool and Terrell now standing as Wade puts his left arm on Terrell's right shoulder.

DEADPOOL
Pussy all in their mouth. Let's
throw them a bag of condoms while
we're at it.

CORPORATE RED
Yeah...

Cage and Jones walk towards the two.

MATT MURDOCK
People..

COLOSSUS
Calm down..

KITTY PRYDE
Should I get the popcorn?

Xavier stares at Kitty.

KITTY PRYDE (CONT'D)
Sorry professor..

LUKE CAGE
What did you two wise asses say?

DEADPOOL
Don't worry T, I got this..

CORPORATE RED
The line you stole from MJ. Go get
em Tiger.

DEADPOOL
You think you so big and bad in
your yellow pajamas and tight
jeans. You must be a queer. I like
queers.

LUKE CAGE
The fuck?

AGENT COULSON
Oh this is bad.....

LUKE CAGE
I don't think you want to get
burned to the "infinity" degree.

DEADPOOL

Oh trust me I've been there. What about this lady here?

JESSICA JONES

You better watch what you say?

CORPORATE RED

Let me get a piece of her.

DEADPOOL

Smack that ass T..

CORPORATE RED

Ms. Jones, didn't you have a failed stint as Spider-woman? Tangle Jones and Cage in some webbing. Caged in a tangle web. Get it?

DEADPOOL

Pussy webbing? Cum all over

Corporate Red and Deadpool burst out laughing. Kitty Pryde tries to regain her composure and then bursts out laughing. Iron Fist walks up to the four.

DANNY RAND

You all talk with your unwise mouths. We're called the Defenders for a reason.

CORPORATE RED

Who is this crouching tiger hidden dragon dressed up in all green and yellow as if he's Loki's brother, or cousin?

DEADPOOL

Maybe Iron Fist here is the lost brother of Loki? Exiled from Asgard, banished to thy Earth. Or maybe a cousin? Or maybe he's a hybrid?

CORPORATE RED

Or maybe he's a Skrull?

DEADPOOL

What's a Skrull?

CORPORATE RED

The "Fox" hounds would know.

DEADPOOL
Ah.. Inside joke
(winks)

CORPORATE RED
By the way The Defenders, that's
such a cheesy name.

FRANK CASTLE
So is Corporate Red..

CORPORATE RED
Why I outta..

DEADPOOL
Hey, be easy on him tiger.

FRANK CASTLE
(pushes Wade hand off his
shoulder)
Don't touch me..

MATT MURDOCK
Look everyone arguing and poking
jabs at each other isn't going to
get us anywhere.

CABLE
Mr. Murdock is right. We have to
take this seriously. This is a
rescue mission. We have to work
together to stop Thanos from
destroying the multi-verse.

DEADPOOL
All these universes and dimensions
are so confusing. You feel me?

CORPORATE RED
No, I don't feel you.

DEADPOOL
I'm feeling her though...
(points at Kitty Pryde)

Kitty Pryde giggles and blushes.

COLOSSUS
Back off Wade..

DEADPOOL
Or what? You're going to make me
feel the wrath of mother Russia?

COLOSSUS
That was not nice..

CORPORATE RED
(mocks Colossus)
That was not nice.

Colossus getting mad..

CORPORATE RED (CONT'D)
(normal tone)
I was joking around. Relax....

DEADPOOL
That was actually funny..

AGENT COULSON
The fuck is this?

AGENT MARIA HILL
Just let them entertain themselves.

AGENT COULSON
Colonel..

COLONEL NICK FURY
What she said....

AGENT COULSON
Professor....

PROFESSOR CHARLES XAVIER
I will not intervene....

FRANK CASTLE
I'm getting sick of this clown. Let
me just blow his brains out
already.

CORPORATE RED
He has regeneration, bub. You'll
just be wasting bullets. Unlike me,
I use a plasma gun. They never run
out of ammo.

Frank Castle walks up to Terrell. Castle walks around him, as
as the hero turns his head to the left. Castle stands behind
him.

FRANK CASTLE
Wise ass huh?

Terrell turns around..

CORPORATE RED

You wanna go at it bub? You wouldn't finish round I in a fight against me.

Matt Murdock rises out of his chair.

FRANK CASTLE

You talk alot for a skinny guy. I'll make sure you'll know what it's like to be a sandwich after I get done with you. Then again you need one.

DEADPOOL

That was un-called for. You've obviously not seen this man's resume. Corporate Red, I'll gladly be your wingman. Let's make him red like us and make him bleed.

CORPORATE RED

Yeah...

PUNISHER

Two on one huh? I'll handicap both of you.

Matt Murdock extends his blind stick blocking the two.

MATT MURDOCK

Let's be civilized adults here.

DEADPOOL

Says the guy who woks for an uncivilized judicial system.

Brief silence..

DEADPOOL (CONT'D)

By the way where's Teenage Warhead?

PROFESSOR CHARLES XAVIER

She grew up..

CORPORATE RED

Me and Wade can take on Thanos..

Deadpool nods..

FRANK CASTLE

Oh really? Yet you complain about going into battle with us?

(MORE)

FRANK CASTLE (CONT'D)

Better yet I won't be taking orders from you.

CORPORATE RED

Oh, I'm suppose to be scared of the guy who goes around killing people in the name of his family? Humanity gives me no love. Do you see me blowing people's brains out for it?

FRANK CASTLE

If you mention my family again..

CORPORATE RED

Try me....

Suddenly claws are being heard as the scene shows some claws then shows Logan emerging from the shadow.

LOGAN

How about you all shut the fuck up.

DANNY RAND

I've had enough of this..

LUKE CAGE

Jessica..

JESSICA JONES

Luke..

COLOSSUS

Kitty..

KITTY PRYDE

Mutants unite.. Let's take them down..

Everyone was about to fight when suddenly a hologram images emerges from the table. In the video image it shows Thanos with the Infinity Gauntlet fighting heroes from different universes. Explosions and universes being destroyed are seen with the sounds of screaming people. One the video ends there's a sound of silence.

DEADPOOL

At least we know who is dead.

LOGAN

No shit
(smokes his cigar)

DEADPOOL

Talk about a cold Apocalypse. You know something this room is full of crossovers. You should send a telepathic message to Galactus. Maybe he will eat Thanos.

CORPORATE RED

Nice....

PROFESSOR CHARLES XAVIER

He's dead..

DEADPOOL

The "Foxes" killed the redemption from the cloud huh? Wait I have an idea. Contact Magneto and together you two can do a fusion.

CORPORATE RED

That would be such an Onslaught.

DEADPOOL

Exactly insider
(winks)

CORPORATE RED

I heard you turned down the trip to Disney World? Or did the mouse say your r rated persona wasn't allowed into the magical kingdom?

DEADPOOL

Listen, I have feelings too.
(takes his mask off)
Do you see this?

Everyone except Terrell, Xavier, Coulson Pym, Castle and Cable say whoa.

LUKE CAGE

Damn..

JESSICA JONES

Who did that to you?

DEADPOOL

Don't ask...

CORPORATE RED

Francis...

DEADPOOL

(screams)
Zip it..

LUCK CAGE

Professor Xavier just send me and the Defenders up there. We don't need scarface, shadowcat, steroid metal head, the time traveler, and the power ranger over here.

CORPORATE RED

I am not a Power Ranger.

DEADPOOL

Wrong universe bub.. Go Go Corporate Red
(does the music beat)

FRANK CASTLE

If you don't shut up....

COLOSSUS

Don't tell him to shut up.

FRANK CASTLE

You want to go at it too?

LUKE CAGE

You wait you're turn Castle. I'm kicking his ass first.

COLOSSUS

Now you listen to me. How dare you call me a steroid metal head? I work out every single day. I eat my fruits and vegetables and maintain strong bones by drinking water and glasses of milk.

CORPORATE RED

Don't you mean metallic bones? Oh wait you're not Logan.

JESSICA JONES

You guys are a mess..

DEADPOOL

Who's milk you drinking? Kitty's over there right?

COLOSSUS

Wade...

DEADPOOL

Rock on Colossus.. Bang that bitch.
Blow jobs I tell you.

Eye's start to widen amongst some.

CORPORATE RED

Language bub... Besides she's Kitty
Pryde. She probably slides through
him all the time.

DEADPOOL

I'm sure he slides through her.
Especially if he's on top of her.
Talk about a body slam.

CORPORATE RED

Easy buddy.. He's not The Thing.

DEADPOOL

Now that's another guy that needs
some pussy in his life.

CORPORATE RED

Yeah, but his girlfriend went to a
"Scandal" of a universe. She
would've got rock slammed. So she
called her pops one day and hopped
on a flight and she sang a song...
ABC... it's easy as 123...

Brief silence..

DEADPOOL

You're awesome man..

CORPORATE RED

Thanks..

COLOSSUS

I am about to pound the both of
you.

LUKE CAGE

Hey, weren't we about to fight?
Besides, I'm the only guy in this
room that can actually fight you
one on one. Metallic skin vs
metallic skin..

JESSICA JONES

Tell em Cage..

DEADPOOL
Place your bets anyone?

CORPORATE RED
It's a draw.. Besides this battle
would be like Disney vs FOX. The
battle of the mega-houses.

DEADPOOL
Really? Can the studios afford such
a mega fight?

CORPORATE RED
Well depending on Colossus
steroids? Kitty go give him a shot.

Kitty tries not to laugh.

COLOSSUS
I am not on steroids..

DEADPOOL
You used to be a little smaller in
height bub. Who remembers X2?

Everyone looks around puzzled.

DEADPOOL (CONT'D)
When they were united? Come on
people insiders. Hashtag master say
something.

CORPORATE RED
Okay, I'm the second most powerful
individual in this room.

DEADPOOL
Lies, you're the third most
powerful.

CORPORATE RED
That would mean your second place.
No gold for you bub.

DEADPOOL
Then who's number one?

XAVIER
I am..

DEADPOOL
Oh...
(turns to Corporate Red)
(MORE)

DEADPOOL (CONT'D)

You can have second place since
you're so used to it. Just like the
Chitauri. The Iron Nuke said hi
bub.

CORPORATE RED

Oh that does it
(makes a fist and bends
down alittle)
"Power"
(jumps up)
Punch

Deadpool moves out the way. Agent Hill tries to not laugh.

DEADPOOL

That cheesy move was fucking way
too predictable.

CABLE

Even I was able to calculate it.

Deadpool turns around and gets shot in the face by Castle.

FRANK CASTLE

Now that was predictable.

LUKE CAGE

Booyah..

JESSICA JONES

Nice..

CORPORATE RED

What the heck did you do that for?

FRANK CASTLE

Terrell, get the fuck out of my
face.

Everyone turns their attention to Wade who is slowly getting
up and spits the bullet out of his mouth.

LUKE CAGE

Damn....

JESSICA JONES

He is a wildcard..

AGENT COULSON

Aren't you all?

Everyone turns towards Coulson, then back at Wade.

DEADPOOL
Where's Logan when I need him?

Logan enters the room smoking his cigar.

LOGAN
What's all this bitter anger I'm hearing?

DEADPOOL
(loud tone)
Hugh..

LOGAN
Oh boy..

DEADPOOL
Isn't he the best at what he does?

CORPORATE RED
He is?

DEADPOOL
Me, you and Logan.. The ultimate
trio, Tiger..
(winks)

TERRELL
Something wrong with your eye?

DEADPOOL
(hands on his face)
Work with me T-Rell

TERRELL
I am Corporate Red. I'm the
captain..

DEADPOOL
You just wanted to say that cheap
pop line didn't you?

TERRELL
Yes..
(lowers head)

LOGN
I'm getting too old for this shit

LUKE CAGE
Agree..

LOGAN
I didn't ask..

JESSICA JONES
 Hey calm down.. You forget we're
 dealing with kids.

DEADPOOL AND CORPROATE RED
 Kids?

FRANK CASTLE
 I've had enough of this.

DEADPOOL
 By the way, can you see me?

Matt Murdock swings his blind stick into the groin of
 Deadpool. Deadpool falls on the floor.

COLOSSUS
 Some peacemaker you were. Then
 again, thank you.

MATT MURDOCK
 Your welcome..

LUKE CAGE
 How about you lay off the steroids?

COLOSSUS
 That does it, I will beat you down
 in the name of mother Russia.

TERRELL
 Oh that was cold. Winter Russia
 cold burr..

LUKE CAGE
 Jessica..

JESSICA JONES
 Let's kick some ass

DANNY RAND
 I'm with you both

KITTY PRYDE
 I got your back Colossus

COLOSSUS
 Thank you my love.. We X-MEN always
 stick together.

As the two were walking Deadpool trips them. The entire group
 starts arguing. Suddenly everyone stops as they hear the
 sounds of magnetism. A huge piece of metal starts bending and
 wraps up the heroes and vigilantes.

They all start screaming what the heck and talk amongst each other. Suddenly Magneto emerges from the shadows.

EVERYONE EXCEPT CORPORATE RED
(loud tone)
Magneto

MAGNETO
This is what you call a response
team?

Colossus and Cage help rip apart the piece of metal. Angered fills among everyone except Xavier.

AGENT COULSON
We were going to introduce you
after..

LUKE CAGE
He's joined as well?

JESSICA JONES
That is crazy.. Do you know who
that is?

COLOSSUS
Am embarrassment to all mutants.

Colossus runs towards Magneto and goes for a punch, but his arm stops. Magneto uses his magnetic powers to stop the movement of Colossus. Magneto then imitates his hand as if he's crushing something. Colossus is in pain.

KITTY PRYDE
(loud tone)
Stop it..

PROFESSOR CHARLES XAVIER
Eric, that's enough...

Magneto lets go of the grip as Colossus goes down on one knee holding his arm. Colossus takes off his metallic skin. Kitty Pryde goes to condole him.

PROFESSOR CHARLES XAVIER (CONT'D)
Eric is here to assist you in your
mission.

JESSICA JONES
You mean to sabotage?

MATT MURDOCK
This is not a good idea.

TERRELL

(makes angry face)
Old man Eric won't be able to
sabotage the mission.

Magneto walks up to Terrell.

MAGNETO

Old man? I was kicking the X-MEN's
ass while you was in junior high
school, boy.

Brief silence..

JESSICA JONES

Why would he want to help us?

MAGNETO

Thanos killed my daughter..

ELEKTRA

You're daughter?

MAGNETO

The one who made news headlines
once for accidently blowing up a
building.

JESSICA JONES

Scarlett Witch? That means the
speedster was...

MAGNETO

My son...

DEADPOOL

Shit just got real..

MAGNETO

Make no mistake humans once we
defeat this mad titan, the Infinity
Gauntlet will be in my possession,
and my brotherhood shall rule the
earth.

CORPORATE RED

Oh heck no..

LUKE CAGE

We have to take him out.

FRANK CASTLE

Magneto is a threat not only to the
mission, but to humanity itself.

JESSICA JONES

Agree..

LUKE CAGE

Defenders..

COLOSSUS

X-MEN..

DEADPOOL

X-Force..

CABLE

Sorry bub..

DEADPOOL

S.H.I.E.L.D. couldn't afford them
either?

PROFESSOR CHARLES XAVIER

Stand down all of you..

FRANK CASTLE

I refuse to take orders from you if
you're going to allow him to
accompany us.

Frank Castle picks up his shotgun. Magneto uses his magnetic powers to grab it. Terrell reaches out his hand and grabs the shotgun.

CORPORATE RED

That's enough.. Look, I get it
we're all from different worlds.
But right now we have to work
together to stop the destruction of
the multi-verse at the hands of
Thanos.

DEADPOOL

Besides I already told Terrell here
earlier that the Infinity Gauntlet
will be apart of my new arsenal.

CORPORATE RED

Not if I get it first you son of
a.....

PROFESSOR CHARLES XAVIER

That is enough all of you.

Everyone gets silent..

DEADPOOL
Can I say something?

PROFESSOR CHARLES XAVIER
No..

Terrell tosses Castle back his shotgun.

MATT MURDOCK
If we're able to defeat Thanos than
what do we do with the Infinity
Gauntlet. It is a universal weapon.

CORPORATE RED
It will belong to me...
(makes a right fist)

COLOSSUS
It belongs to the X-MEN

LUKE CAGE
It belongs to the Defenders.

FRANK CASTLE
Quite frankly I could give a fuck
what happens. I just want to kick
some ass.

MATT MURDOCK
For once can you be reasonable?

FRANK CASTLE
Said the man representing a
judicial system that is actually
blind.

DEADPOOL
We both agree....

Frank re-load his shotgun.

DEADPOOL (CONT'D)
Easy bub....

PROFESSOR CHARLES XAVIER
Hmm

KITTY PRYDE
What's wrong Professor?

KITTY PRYDE (CONT'D)
I sense an unexpected ally
approaching from light years away.

DEADPOOL
I want to see..

CORPORATE RED
Me too..

Corporate Red and Deadpool each put one hand on Xaviers shoulder and close their eyes.

FADE INTO

EXT. OUTER SPACE

Silver Surfer is seen flying at lightspeed through space desperately trying to make his way towards earth.

FADE INTO

INT. AVENGERS FACILITY UPSTATE NEW YORK

Deadpool and Terrell turn towards each other.

DEADPOOL AND CORPROATE RED
Silver Surfer.. Nah..

DEADPOOL
Too expensive...

CORPORATE RED
Too much cosmic power for one battle..

PROFESSOR CHARLES XAVIER
Thank you for coming Eric..

MAGNETO
One time Charles..

CUT TO:

EXT. THANOS LAIR

Thanos is seen sitting with the Infinity Gauntlet in his hand.

LOKI
Lord Thanos..

THANOS
I am aware.. Prepare for battle..

Thanos makes a fist with the Infinity Gauntlet as cosmic energy fills the screen.

CUT TO:

EXT. SECRET HIDEOUT

Everyone is now assemble outside.

DR. HANK PYM

Well this is it.. Everyone this could be the final battle.

COLONEL NICK FURY

There's no return from this battle. Once you defeat Thanos you must use the Infinity Gauntlet to restore the multi-verse.

KITTY PRYDE

Will we remember any of this?

PROFESSOR CHARLES XAVIER

We will, except the ones not involved.

CABLE

I have coordinates set Professor.

PROFESSOR CHARLES XAVIER

Nicholas.. Pym..

DR. HANK PYM

You're going aren't you..

PROFESSOR CHARLES XAVIER

Thanos isn't the only one they'll be encountering.

COLONEL NICK FURY

It was good working with you Professor.

The two shake hands.

PROFESSOR CHARLES XAVIER

Indeed..

DR. HANK PYM

Colonel..

COLONEL NICK FURY

Light me son..

Dr. Hank Pym lights up Fury's cigar.

LOGAN

I fought side by side with Cap during World War II. I hear you was the one that headed the secret mission with me and Cap in Berlin.

COLONEL NICK FURY

I did..

LOGAN

I enjoyed working with you during the early days of S.H.I.E.L.D. That is up until the other Fury came along.

DEADPOOL

The Pulp Fiction Fury? Mother fucker..

Kitty tries to not laugh..

CABLE

Any objections?

Everyone is silent..

CABLE (CONT'D)

Here he go.. Computer take us to Thanos lair.

COSMIC CUBE

Setting coordinates..

A large energy beam consumes the heroes and Xavier as they teleport.

DR. HANK PYM

There they go..

COLONEL NICK FURY

The last line in defense..

FADE INTO

EXT. OUTER SPACE

Silver Surfer is almost halfway towards earth.

FADE INTO

EXT. THANOS LAIR

The heroes and Xavier arrive to Thanos lair. They suddenly hear a voice and turn around.

EBONY MAW
Greetings humans, and mutants. Our
father has long awaited your
arrival.

The heroes get together with Corporate Red in center who rolls down the visor of his helmet. He makes a serious stare along with the rest of the group except Kitty Pryde who has a worried look.

CORVUS GLAIVE
(slowly pulls out his
sword)
