Can I help you?

KANG

You seem to hunger to save humanity. You hunger to save their universe.

SECRET AVENGER

I hunger to save the multiverse. Whether that means saving Earth 616 or destroying it. Or Earth199999 or whatever you want to call that glitched timeline.

KANG

Until they come asking for your help, I suggest you stand out of our way.

SECRET AVENGER

Stand out of who's way?

SAILOR PLUTO

Or perhaps..
(emerges from the shadows)
You can join us?

KANG

This variant will waste our time..

CABLE

Kang, watch your tone.
(emerges from the shadows)
Terrell is a friend of ours.

SECRET AVENGER

Cable, its good to see you again.

CABLE

BISHOP

You're all grown up..

SECRET AVENGER

Bishop..

BISHOP

SAILOR PLUTO
I am Sailor Pluto, a guardian of
dimensional time.

An individual teleports into the room.

GOKU
My name is Goku. We all come from
different dimensions. You're
universe, like ours, is in danger
of being extinct because of one
timeline.

KANG
That timeline must be destroyed. A
variant of yours once agreed.

SECRET AVENGER
A variant of mine? What happen to
